Watson Moyes,1996 **The Search for a Common Identity** Brian R. Talbot,2007-01-01 The Search for a Common Identity explores the process by which Scottish Baptists came to recognize the need for a union of Baptist churches in Scotland prior to 1869 This book identifies the major leaders in each of the three main Baptist streams in the early nineteenth century and shows how they came to the conviction that it was important for them to establish a common identity At the heart of their unity was an enthusiasm for evangelism The Baptist Home Missionary Society was formed in 1827 Its early successes demonstrated the wisdom of cooperation between the different Baptist agencies in Scotland There had been three attempts to form a union of churches that failed because differences of perspective could not be reconciled The principal achievement of the 1869 Baptist Union was in enabling Baptists with different theological opinions to come together to promote common practical objectives In short a shared sense of purpose led to the growth and establishment of the Baptist Union of Scotland *A History of the Baptists* Thomas Armitage,1890 **Historical Dictionary of the Baptists** William H. Brackney,2009-04-13 The second edition of the Historical Dictionary of the Baptists expands upon the first edition with an updated chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on important events doctrines and the church founders leaders and other prominent figures who have made notable contributions This volume commemorates the 400th anniversary of the founding of the Baptist movement in 1609 **A History of the Baptists** Thomas Armitage,2001-03 A General History of the Baptist Denomination in America and Other Parts of the World David Benedict,1848
