The Communicator's Commentary Gary W. Demarest, 1984 *1 & 2 Thessalonians* Dr. Matthew N. O. Sadiku, 2014-03-31

Every serious student of the Bible desires to understand the text discover the biblical principles and apply the truths to his or her life This commentary is designed to help students pastors and Bible teachers understand First and Second Thessalonians in a simple manner Working from the popular New International Version NIV the author provides helpful commentary on the text verse by verse This verse by verse commentary is different from others in two respects First it is brief while some commentaries are unnecessarily wordy and verbose Second it is Pentecostal in outlook This implies that we generally adhere to the doctrine of biblical inerrancy and adopt a literalist approach to the interpretation of the Bible The major aim of this commentary is to expose readers to First and Second Thessalonians It is written primarily for the busy pastor Sunday school teacher or Christian leader who desires to better understand Pauls message to the Thessalonians First Thessalonians encourages believers to endure persecution while Second Thessalonians corrects a wrong understanding of the day of the Lord These epistles were designed to help the church in Thessalonica face suffering in a Christ centered manner and they can do the same for believers today
