individual wrote of his own life mainly in terms of his worldly experiences and personal feelings Rousseau recognized the unique nature of his work it opens with the famous words I have resolved on an enterprise which has no precedent and which once complete will have no imitator My purpose is to display to my kind a portrait in every way true to nature and the man I shall portray will be myself Not long after publication many other writers such as Goethe Wordsworth and De Quincey wrote their own similarly styled autobiographies The Confessions is also noted for its detailed account of Rousseau s more humiliating and shameful moments For instance Rousseau recounts an incident when while a servant he covered up his theft of a ribbon by framing a young girl who was working in the house for the crime In addition Rousseau explains the manner in which he disposes of his five children whom he had out of wedlock with Th r se Levasseur      *Confessions of Jean Jacques Rousseau* Jean-Jacques Rousseau,2006-11 The book narrates the ups and downs of Rousseau and follows his life from streets to stardom It provides a deep insight into the personality of the philosopher and the vision that got him exiled and persecuted It relates his pride in his individual existence The assortment of events and emotions presented here is timeless      *The Confessions of J.J. Rousseau* Jean-Jacques Rousseau,1856      **The Confessions of Jean Jacques Rousseau** Jean-Jacques Rousseau,2017-12-06 The Confessions of Jean Jacques Rousseau now for the first time completely translated into English without expurgation Vol 2 is an unchanged high quality reprint of the original edition of 1896 Hansebooks is editor of the literature on different topic areas such as research and science travel and expeditions cooking and nutrition medicine and other genres As a publisher we focus on the preservation of historical literature Many works of historical writers and scientists are available today as antiques only Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future      **The Confessions of Jean Jacques Rousseau - Volume 04** Jean-Jacques Rousseau,2016-02-04 One of the towering figures of the Enlightenment was Jean Jacques Rousseau whose works were essential to the ideological developments of the 18th century The prestige of French literature in the 18th century resides especially in its revolutionary character while the writers of the previous century used to support the social order through their works and showed sympathy and even attempted to explain the political order of the time in the 18th century art literature philosophy and science all contribute actively and fiercely to the fight against the absolutist monarch and his regime While this was a current manifesting all throughout Europe there were differences in practice especially between close countries as was the case of England and France Rousseau s life can best be described as a constant conflict whether it was conflict with his wife his employers his colleagues and even his friends However such situations led to the birth of masterpieces which have been influencing the advancement of critical thinking up to the present day The roots of his personality may be found in his childhood as the death of his mother and the fleeing of his older brother left him with a father who impressed upon him the love for studying and reading but could not cover for the other needs of a child Thus the absence of a family would affect his later relations with people and it would even compel Rousseau to abandon

all his five children in an orphanage an ironic fact given that he published a treaty on education It s quite likely that Rousseau realized the nature of the battles he fought In fact towards the end of his life whether he was motivated by repentance or simply a need to advance his work he provided his readers with explanations of all his actions and ideas The Confessions were published after his death and it is now considered by many to round his life s work into a single opus

**Confessions [Jean Jacques Rousseau] [Christmas Summary Classics]** Jean-Jacques Rousseau,2013-12-01 Christmas Summary Classics This series contains summary of Classic books such as Emma Arne Arabian Nights Pride and prejudice Tower of London Wealth of Nations etc Each book is specially crafted after reading complete book in less than 30 pages One who wants to get joy of book reading especially in very less time can go for it About the Book Rousseau s Confessions were written in England at Wootton in Staffordshire where he had taken refuge after his revolutionary ideas incurred the displeasure of the authorities in France They were first published in 1782 From this refuge he was pursued from place to place by his delusions through miserable years until he died near Paris on July 2 1778 In no circumstances or relation of his life was Rousseau a pleasant spectacle The Confessions unexpurgated are often revolting to any sane mind and have been proved to be untrustworthy even as a record of fact But almost incredible baseness was coupled with extraordinary gifts and

it is impossible to overestimate Rousseau s influence upon the modern world and upon its literature and its whole point of view and way of thinking Rousseau biography see FICTION I am undertaking a task for which there is no example and one which will find no imitator It is to exhibit a man in the whole truth of nature and the man whom I shall reveal is myself Myself alone for I verily believe I am like no other living man In this book I have hidden nothing evil and added nothing good and I challenge any man to say having unveiled his heart with equal sincerity I am better than he I was born at Geneva in 1712 son of Isaac Rousseau watchmaker and of Susanne his wife My birth the first of my misfortunes cost my mother her life and I came into the world so weakly that I was not expected to live My father s sister lavished on me the tenderest care and he disconsolate loved me with extreme affection For more eBooks visit [www.kartindo.com](http://www.kartindo.com) **The Confessions of Jean**
