The Conspiract Quartet:

The Conspiracy Quartet David Clewell, Peter Genovese, 1997 **Support in Times of No Support** Wolfgang Frindte, Ina Frindte, 2023-01-01 In the summer of 2018 the authors of the book stood in the Musée des Arts et Métiers in Paris. They marvelled at the Foucault pendulum which made its circular movements on a long rope under the dome. Like Casaubon in Umberto Eco's book *The Foucault Pendulum* the authors were amazed and wondered what could be at the ideal end of the thread pendulum. The fixed point that could give us support and security in an uncertain world and difficult times. What uncertainties, what times or even what threats are we actually talking about? Where can we find the fixed points, the safe spaces of our lives? This book deals with these and other questions. The authors found inspiration for the book in Umberto Eco. And so it is also a homage to Eco. *Alexandrian Cosmopolitanism* Hala Halim, 2013-09-19 Interrogating how Alexandria became enshrined as the exemplary cosmopolitan space in the Middle East, this book mounts a radical critique of Eurocentric conceptions of cosmopolitanism. The dominant account of Alexandrian cosmopolitanism elevates things European in the city's culture and simultaneously places things Egyptian under the sign of decline. The book goes beyond this civilization/barbarism binary to trace other modes of intercultural solidarity. Halim presents a comparative study of literary representations addressing poetry, fiction, guidebooks and operettas among other genres. She reappraises three writers: C. P. Cavafy, E. M. Forster and Lawrence Durrell, whom she maintains have been cast as the canon of Alexandria. Attending to issues of genre, gender, ethnicity and class, she refutes the view that these writers' representations are largely congruent and uncovers a variety of positions ranging from Orientalist to anti-colonial. The book then turns to Bernard de Zogheb, a virtually unpublished writer, and elicits his camp parodies of elite Levantine mores in operettas, one of which centers on Cavafy. Drawing on Arabic critical and historical texts as well as contemporary writers and filmmakers' engagement with the canonical triumvirate, Halim orchestrates an Egyptian dialogue with the European representations. *The Low End of Higher Things* David Clewell, 2003 *The Low End of Higher Things* by David Clewell is a collection of poems that explores various topics with a narrative energy and multi-layered curiosity. One of the highlights is an elegy for a federal agent who jumped out a window under the influence of LSD. The poems are known for their engagement with subjects that might not seem high but are elevated by Clewell's poetic treatment. *Taken Somehow By Surprise* David Clewell, 2011-03-10 David Clewell's spirited poems cut through the noise we too often accommodate in our daily lives. Breath by surprising breath, this poet takes us into chambers of the heart that have never been mapped quite this way before. By turns raucous and strangely soothing, narrative and lyrical, Clewell traffics in unlikely and compelling details of our mostly discernible world: a school custodian's role in the burgeoning Space Race, the vastness of abandoned missile silos, the first lawn flamingos and the living fossil still using a typewriter. *Party Crasher* Lisa Pachino, 2019-01-03 What fun is there if there is no danger? After recovering from her confinement and torture, Dr. Leba Brader is reassigned to Infiltrator Company and must once again prove

her worth while trying to maintain her relationship with Squad Leader Tivon Garnet and uncover the vengeful entity that is targeting her Tiv Garnet is being pulled in multiple directions trying to balance his love for Leba and his ability to command He begins to question orders and decisions made by his colleagues and commanders where she is concerned Tiv worries that his judgment is being clouded by factors he cannot control Leba and Tiv work desperately to uncover the source of this new threat Can either change tactics enough to overcome their insecurities and try to neutralize the systemic assault before they have to face even more devastating personal losses Starting with Maiden Voyage and its sequel Ice Breaker Party Crasher completes the Change in Tactics trilogy **Lawrence Durrell: The Mindscape** Richard Pine,2016-07-27 In this second volume of his study of the Anglo Irish novelist Lawrence Durrell following the appearance in 1988 of *The Dandy* and the *Herald Manners Mind and Morals from Brummell to Durrell* Richard Pine examines in detail Durrell s unique contribution to the development of the modern novel concentrating in particular on the evidence of Durrell s private notebooks and diaries Pine s twenty year friendship with Burrell has resulted in an intimate portrait of a singular mind whose extraordinary career both as a writer and as a British colonial official is hallmarked by the creation of the Heraldic Universe an imaginative realm within which the artist reigns supreme *Community Notes The Rise and Fall of Favorbook* Sherridean Abddeen,2025-09-05 Meet Jason Whales a quirky middle aged guy with a love for conspiracy theories a knack for sarcasm and a small but loyal following on the now defunct social media giant Favorbook In 2024 Jason s life took a wild turn when he posted a video claiming aliens came to his house for dinner and then Favorbook decided to call him a liar **Poetry Daily** Diane Boller,Don Selby,Chryss Yost,2003-12 A poem a day book from the Web s No 1 poetry site *Lawrence Durrell and the Greek World* Anna Lillios,2004-02 Novelist Lawrence Durrell s fondness for his adopted homeland of Greece led him to declare I m a Greek and profoundly influenced his work Attempting to capture the scope of the Greek world s relationship with Durrell s life and work Lillios English U of Central Florida presents 22 papers that approach the topic from a range of perspectives After a number of reminiscences of Durrell by family and friends a set of essays are organized by place examining Durrell s relationship with Corfu Alexandria Rhodes and Cyprus The remaining essays are grouped according to theme discussing such issues as the influence of myth and other Greek inspirations on Durrell s novels poems and other work Distributed by Associated University Presses Annotation 2004 Book News Inc Portland OR booknews com *United States of America V.
