The Conspiracy Against Hitler In The Twilight War:

The Conspiracy Against Hitler in the Twilight War Harold C. Deutsch, 1968-05-20 The Conspiracy Against Hitler in the Twilight War was first published in 1968 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions This is the first detailed account in English of the German anti Nazi plot of September 1939 May 1940 a conspiracy which involved the services of Pope Pius XII as in intermediary Much new information is presented and the book puts the whole story of the German resistance movement in a clearer light than has been possible before Much of the account is based on the testimony of over fifty witnesses whom Professor Deutsch interviewed or interrogated comprising virtually all the participants or observers who survived the period He also had access to previously unavailable French and Belgian documents as well as to diaries and other private material As the author explains there were four major rounds of opposition to the Hitler regime the conspiracy described in this volume being the second IN many ways it was the round in which circumstances were the most favorable for success High military quarters were the most fully committed it was the only plan in which a foreign power at odds with Germany Britain took a supporting position and it was the only instance in which a notable outside figure Pius XII made his good offices available as an intermediary The role of the Pope in this conspiracy has been known in a general way since 1946 but Professor Deutsch's investigation is the first intensive study were at the core of the affair Josef Muller the Opposition agent who dealt with the Pope and who later became the Bavarian Minister of Justice and Rev Robert Leiber S F the Pope's confidential aide In his conclusion Professor Deutsch points out that the story of this conspiracy clearly testifies to the moral nature of the German resistance movement The author writes No term recurred more often in these months to define the conflict with the Third Reich than the decent Germany

The Conspiracy Against Hitler in the Twilight War Harold C. Deutsch, 1970 **The Conspiracy Against Hitler in the Twilight War** Harold Charles Deutsch, 1968 *The Conspiracy Against Hitler in the Twilight War*, 1968 *Spies in the Vatican* David J. Alvarez, 2002 Ranging across two centuries of world history Alvarez's fascinating study throws open the Vatican's doors to reveal the startling but little known world of espionage in one of the most sacred places on earth *The Battle for the Catholic Past in Germany, 1945-1980* Mark Edward Ruff, 2017-07-14 Mark Edward Ruff re-examines the bitter controversies in the Federal Republic of Germany over the Catholic Church's relationship to the Nazis *A Concise History of Nazi Germany* Joseph W. Bendersky, 2020-09-21 This balanced history offers a concise readable introduction to Nazi Germany Combining compelling narrative storytelling with analysis Joseph W Bendersky offers an authoritative survey of the major political economic and social factors that powered the rise and fall of the Third Reich Now in its fifth edition the book incorporates significant research of recent years analysis of the politics of memory postwar German controversies about World War II and the Nazi era and more on non Jewish victims Delving into the complexity of social life within the Nazi state it also reemphasizes the crucial role played by

racial ideology in determining the policies and practices of the Third Reich Bendersky paints a fascinating picture of how average citizens negotiated their way through both the threatening power behind certain Nazi policies and the strong enticements to acquiesce or collaborate His classic treatment provides an invaluable overview of a subject that retains its historical significance and contemporary importance

Luftwaffe Williamson Murray, 2021-11-21 This book first published in 1985 is an in depth analysis of the Luftwaffe in the Second World War using previously untapped German archives and newly released Ultra intelligence records It looks at the Luftwaffe within the context of the overall political decision making process within the Third Reich It is especially valuable for its careful study of industrial production and pilot losses in the conduct of operations

Traitors or Patriots? Louis R. Eltscher, 2020-03-07 This is a classic morality tale a story of the eternal struggle between good and evil It speaks of those who resisted that evil and of those who succumbed to it Little is known about those whose courage and conviction drove them to risk and lose everything to bring the Third Reich to an end The story of Georg Elser and his attempt to assassinate Adolf Hitler encapsulates the wider story of the anti Nazi German resistance almost perfectly All the moral and ethical issues and the practical problems that the resisters faced are found in his story In sum it is a microcosm of the larger story Elser personified the entire resistance movement Presented within the broader context of German history and contemporary world events this comprehensive study relies on extensive historiography by noted scholars to produce a well balanced timely narrative of the German resistance to one of history's most violent regimes Traitors or Patriots tells a story of incredible courage and conviction that transcends time and place a story for our own time and for all time

Germany at War David T. Zabecki, 2014-10-28 Written by experts for use by nonexperts this monumental work probes Germany's Genius for War and the unmistakable pattern of tactical and operational innovation and excellence evident throughout the nation's military history Despite having the best military forces in the world some of the most advanced weapons available and unparalleled tactical proficiency Germany still lost both World Wars This landmark four volume encyclopedia explores how and why that happened at the same time examining Germany as a military power from the start of the Thirty Years War in 1618 to the present day Coverage includes the Federal Republic of Germany its predecessor states and the kingdoms and principalities that combined to form Imperial Germany in 1871 The Seven Years War is discussed as are the Napoleonic Wars the Wars of German Unification including the Franco Prussian War World War I World War II and the Cold War In all more than 1 000 entries illuminate battles organizations leaders armies weapons and other aspects of war and military life The most comprehensive overview of German military history ever to appear in English this work will enable students and others interested in military history to better understand the sociopolitical history of Germany the complex role conflict has played in the nation throughout its history and why Germany continues to be an important player on the European continent

The Eastern Front, 1941-45, German Troops and the Barbarisation of Warfare Omer Bartov, 1986-04-28 Based largely upon unpublished sources Omer Bartov's study looks closely at the background of the German army on the Eastern Front during the Second World War He describes the physical hardship the discipline and morale at the front and analyses the social educational and political background of the junior officers who formed the backbone of the German army Only with these factors in mind together with the knowledge of the extent of National Socialist indoctrination can we begin to explain the criminal activities of the German army in Russia and the extent of involvement of the army in the execution of Hitler's brutal policies

The Third Reich Martin Kitchen, 2014-01-14 The twelve years of the Third Reich casts a dark shadow over history Fierce debates still rage over many of the hows whys and wherefores of this perplexing period Leading expert on German history Martin Kitchen provides a concise accessible and provocative account of Nazi Germany It takes into account the political social economic and cultural ramifications and sets it within the context of the times while pointing out those areas that still defy our understanding This lively account addresses major issues such as the reasons for Hitler's extraordinary popularity his hold over the German people even when all seemed lost the role of ideology the cooption of the elites and the descent into war for race and space culminating in the horrors of the holocaust
