## **The Construction Of A Political Community Integration And Identity In Goa:**

**The Construction of a Political Community** Arthur G. Rubinoff, 1998-01-01      **The Construction of a Political Community** Arthur G. Rubinoff, 1998-09-22 Throughout the world multi ethnic states are under stress from separatist movements Using the state of Goa as a case study for the application of integration theory this book shows how India has so far succeeded in remaining intact by promoting national identity The author describes the construction of a Goan political community and the transformation of its identity in the postcolonial era One of the few recent treatments of state politics in India his book is the first to discuss Goa s ability to develop in a democratic context and highlights the unique nature of the Indian path of integration      *Hindu-Catholic Encounters in Goa* Alexander Henn, 2014-05-27 The state of Goa on India s southwest coast was once the capital of the Portuguese Catholic empire in Asia When Vasco Da Gama arrived in India in 1498 he mistook Hindus for Christians but Jesuit missionaries soon declared war on the alleged idolatry of the Hindus Today Hindus and Catholics assert their own religious identities but Hindu village gods and Catholic patron saints attract worship from members of both religious communities Through fresh readings of early Portuguese sources and long term ethnographic fieldwork this study traces the history of Hindu Catholic syncretism in Goa and reveals the complex role of religion at the intersection of colonialism and modernity      *Between Minority and Majority* Levente Salat, Tamás Turán, Viktória Bányai, Victor Karády, Raphael Vago, Szabolcs Szita, Judit Frigyesi, Guy Miron, Tamás Gusztáv, Attila Gidó, Balázs Ablonczy, András Kovács, Attila Papp Z., 2013-11-25 On May 4 6 2011 in cooperation with historians from Hungary and Israel the Balassi Institute organized a conference entitled Between Minority and Majority on the history of the Hungarian and Jewish diaspora and the shifting meanings of notions of Hungarian and Jewish identity The conference had the support of Deputy Prime Minister Tibor Navracsis and J zsef P link s the president of the Hungarian Academy of Sciences Aliza bin Noun at the time the Israeli ambassador to Hungary gave an opening speech An exhibition of a selection of the pictures of photographer Doron Ritter was also held in connection with the conference The exhibition which was entitled From the Old Country to the New Home Hungarian Speaking Jews in Israel was held again in October the same year in Zagreb Croatia This book contains essays based on the presentations given at the conference CONTENT Preface P l Hatos Attila Nov k 7 Levente Salat The Notion of Political Community in View of Majority Minority Relations 9 Tam s Tur n Two Peoples Seventy Nations Parallels of National Destiny in Hungarian Intellectual History and Ancient Jewish Thought 44 Vikt ria B nyai The Hebrew Language as a Means of Forging National Unity Ideologies Related to the Hebrew Language at the Beginning of the 19th and the 20th Centuries 74 Victor Kar dy Education and the Modern Jewish Experience in Central Europe 86 Raphael Vago Israel Diaspora Relations Mutual Images Expectation Frustrations 100 Szabolcs Szita A Few Questions Regarding the Return of Hungarian Deportees the Example of the Mauthausen Concentration Camp 111 Judit Frigyesi Is there Such a Thing as Hungarian Jewish Music 122 Guy Miron Exile Diaspora and the Promised Land Jewish Future Images in Nazi Dominated

*Sociology and Social Anthropology in India* Yogesh Atal, 2009 The Indian Council of Social Science Research the premier organization for social science research in India conducts periodic surveys in the major disciplines of the social sciences to assess disciplinary developments as well as to identify gaps in research in these disciplines

*South Asia and its Others* Atreyee Phukan, V.G. Julie Rajan, 2020-10-27 The essays in *South Asia and Its Others* Reading the Exotic reveal fresh perspectives on the notion of exoticism in South Asia and also challenge and extend existing scholarship in the broader discourse of what constitutes South Asia Significantly the anthology considers how the phenomenon of exoticization may be interpreted as a strategic methodology utilized by writers of South Asian descent to examine critically both the post colonialist ramifications of casteism religious intolerance and gender violence across differing cultural contexts within the region and how current perceptions of native and diasporic South Asian subjects problematize ideologies of authenticity across Western Eastern divides The papers in this collection show how authors of South Asian ethnicity construct their own version of an exotic South Asia globally and the colonialist discourse of exocitism is employed as a discursive tool that uncovers the ambiguity that continues to mark the marginality of identities even today

*The relic state* Pamila Gupta, 2016-05-16 This book is a study of the complex nature of colonial and missionary power in Portuguese India Written as a historical ethnography it explores the evolving shape of a series of Catholic festivals that took place throughout the duration of Portuguese colonial rule in Goa 1510 1961 and for which the centrepiece was the incorrupt corpse of S o Francisco Xavier 1506 52 a Spanish Basque Jesuit missionary turned saint Using distinct genres of source materials produced over the long duree of Portuguese colonialism the book documents the historical and visual transformation of Xavier s corporeal ritualisation in death through six events staged at critical junctures between 1554 and 1961 Xavier s very mutability as a religious political and cultural symbol in Portuguese India will also suggest his continuing role as a symbol of Goa s shared past for both Catholics and Hindus and in shaping Goa s culturally distinct representation within the larger Indian nation state

*Portuguese Decolonization in the Indian Ocean World* Pamila Gupta, 2018-10-18 Pamila Gupta takes a unique approach to examining decolonization processes across Lusophone India and Southern Africa focusing on Goa Mozambique Angola and South Africa weaving together case studies using five interconnected themes Gupta considers decolonization through the twined lenses of history and ethnography accessed through written oral visual and eyewitness accounts of how people experienced the transfer of state power She looks at the

materiality of decolonization as a movement of peoples across vast oceanic spaces demonstrating how it was a process of dispossession for both the Portuguese formerly in power and ordinary colonial citizens and subjects She then discusses the production of race and class anxieties during decolonization which took on a variety of forms but were often articulated through material objects The book aims to move beyond linear histories of colonial independence by connecting its various regions using the theme of decolonization offering a productive and new approach to writing post national histories and ethnographies Finally Gupta demonstrates the value of using different source materials to access narratives of decolonization analyzing the work of Mozambican photographer Ricardo Rangel and including lyrical prose and ethnographical observations Portuguese Decolonization in the Indian Ocean World provides a nuanced understanding of Lusophone decolonization revealing the perspectives of people who experienced it This book will be highly valuable for historians of the Indian Ocean world and decolonization but also those interested in ethnography diaspora studies and material culture

*Non-Territorial Autonomy and Decentralization* Tove H. Malloy, Levente Salat, 2020-10-15 This volume describes and analyzes alternative and emerging models of non territorial autonomy NTA particularly in relation to decentralization The authors push the NTA debate in new directions by offering a re conceptualization based on ethno cultural bottom up decentralized action that redefines autonomy into its true sense of autonomous action Through description critical analysis and evaluation of several case studies this book assesses the potential for new paradigms within decentralized systems The authors explore two approaches to political decentralization which add to the theoretical debate on NTA network governance which focuses on new dynamics in policy processes and normative pluralism which focuses on accommodating the distinctness of the groups through the subsidiarity principle with regard to their own affairs The book explores the potential ramifications of ethno cultural NTA institutions acting within the wider framework of state institutions and assesses the functions of these institutions as another dimension of decentralization and thus another layer of democracy With contemporary examples from Europe the Middle East Asia and South Africa as well as theoretical aspects of the conceptualization of autonomy this book offers a truly global perspective It will be of great interest to policy makers in countries experiencing adverse developments due to the pressure on public management as well as advanced students and scholars questioning the ability of the Westphalian system to address cultural diversity

**Religion and Empire in Portuguese India** Ângela Barreto Xavier, 2022-03-01 How did the colonization of Goa in the sixteenth and seventeenth centuries take place How was it related to projects for the conversion of Goan colonial subjects to Catholicism In *Religion and Empire in Portuguese India* Ângela Barreto Xavier examines these questions through a reading of the relevant secular and missionary archives and texts She shows how the twin drives of conversion and colonization in Portuguese India resulted in a variety of outcomes ranging from negotiation to passive resistance to moments of extreme violence Focusing on the rural hinterlands rather than the city of Goa itself Barreto Xavier shows how Goan actors were able to seize hold of complex cultural resources in order to further

their own projects and narrate their own myths and histories In the process she argues Portuguese Goa emerged as a space with a specific identity that was a result of these contestations and interactions The book de essentializes the categories of colonizer and colonized making visible instead their inner group diversity of interests their different modes of identification and the specificity of local dynamics in their interactions and exchanges in other words the several threads that wove the fabric of colonial life

**International Bibliography of Political Science** Compiled by the British Library of Political and Economic Science,2000-02 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge on the social sciences

Basra, the Failed Gulf State Reidar Visser,2005 Is Iraq artificial on the verge of disintegrating All too often the answers to this question ignore Iraq's own history In fact the literature on indigenous attempts at dismembering Iraq is surprisingly patchy especially with regard to the oil rich south This book presents for the first time an actual case of southern Iraqi separatism a daring bid to turn Basra into a pro British mercantile mini state The study uncovers the dynamics and limits of southern separatism casts new light on the victory of Iraqi nationalism in the south and discusses the challenges of post 2003 regionalism in a federal Iraq

Tourism Imaginaries at the Disciplinary Crossroads Maria Gravari-Barbas,Nelson Graburn,2016-06-23 Providing a unique analysis of current multidisciplinary research on the complex relationships between tourism and the imaginaries of tourist destinations this book traces the links between tourism imaginaries and their religious heaven and political utopia antecedents The substantive chapters are organised into three main thematic sections the first explores the touristic production and consumption of place imaginaries the second analyses the way places are practiced through imaginaries and the role imaginaries play in the tourist experience and the final section explores the way images and the media participate in the creation of tourism imaginaries

*Loyola Journal of Social Sciences* ,1998 **US-Indian Strategic Cooperation Into the 21st Century** Sumit Ganguly,Andrew Scobell,Brian Shoup,2007-01-24 In this edited book leading scholars and analysts trace the origins evolution and the current state of strategic cooperation between India and the United States the world's two largest democracies

*Sociological Bulletin* ,1999 Indian Politics and the 1998 Election Ramashray Roy,Paul Wallace,1999 Contemporary India - Transitions Peter De Souza,Peter Ronald DeSouza,2000 With half a century behind independent India a diverse and multidisciplinary group of scholars decided to reflect on India's biography The papers are grouped into five sections Papers in section 1 look at India from a historical perspective from the direction of literature and language from the perspective of representations of Indian culture and with a Dalit voice The second section entitled Economy in Transition has papers covering industry agriculture welfare services and the corporate sector The next section examines the adopted constitutional order institutions and processes that make up the polity and the normative agenda for the future Papers in section four look at such dominant themes as caste gender a uniform civil code and the media in a globalised world The last section Goa in Transition looks at a neglected region in India from Goa's

finances and its environment to politics
