The Guilty Guns:

The Guilty Guns Lewis B. Patten, 1979 *Guns on Trial* Edward Green, 2009-11 When the love of his life is slain in an assault on a hospital by terrorists striving for maximum carnage John Foxcroft first violinist of the National Symphony Orchestra and ex Marine bandsman grieves inconsolably and vows vengeance On learning that the killers acquired their automatic rifles legally in the United States through a loophole in the law that allows unlicensed dealers to sell without background checks he focuses his rage on powerful interests that thwart strict gun laws His armed campaign panics the gun establishment by destroying the offices of the American Firearms Association and a gun show but without inflicting human injury An arrest leading to trial locks the advocates of gun control and gun rights into a fierce debate which reaches its climax in an internationally headlined criminal trial A maverick judge permits freewheeling debate to displace rules of testimony in a trial modeled procedurally after the historical Scopes monkey trial In the novel's most noteworthy contribution to the real world gun debate the defense demolishes the scientific foundations of the pro gun case represented by the prosecution with a simple yet overpowering logic Biographical sketches and events in the lives of the characters illuminate the human side of actions leading to and flowing from the hospital massacre John mends his heartbreak in a relationship with Libby Taylor also a survivor of the hospital massacre Defense Attorney Aaron Klein and Jesuit priest Father James Rourke conspire to conceal John's role as shooter The saga of the Al Qaeda terrorists sanctified by Osama Bin Laden takes the reader from the mountains bordering Afghanistan and Pakistan to the United States then to Guantanamo where the captives undergo interrogation Police strategizing to catch the shooter journalists putting events into context gun show pageantry gun lore brainstorming in gun association meetings and jurors deliberations bring to life the strategies and tactics of the combatants in the gun wars Although this is a work of fiction the claims counterclaims and evidence set forth in the trial testimony are authentic *The Guilty Guns* Kirk Hamilton, 1977* **The Theatrical Firearms Handbook** Kevin

Inouye, 2014-05-30 *The Theatrical Firearms Handbook* is the essential guide to navigating the many decisions that are involved in the safe and effective use of firearm props for both the stage and screen This book establishes baseline safety protocol while empowering performers and designers to tell their story of conflict in a way that makes the most of both established convention and current tools of the trade Within these pages are practical instruction couched in the language of theatre and film making firearms technology and concepts approachable to dramatic artists without any dumbing down of the subject material It contains over 100 illustrations This handbook is equally at home within the worlds of academic training professional performance and independent or community theatre and video productions and is an invaluable resource for fight choreographers props designers backstage crew directors actors stage managers and more at all levels of experience

Guns and Contemporary Society Glenn H. Utter, 2015-12-01 This three volume set examines various approaches to firearms including constitutional and legal issues public health and criminal justice concerns and perspectives on personal

safety and self defense Recent mass shootings have led to renewed calls for additional legislation at the state and federal levels to address gun access and control In this hard hitting compilation experts delve into various aspects of firearms in America from gun control and gun rights to militia movements to school related shootings and to the recent trends in gun ownership by women Authors from varied backgrounds and viewpoints share their perspectives on the pros and cons of firearm ownership as all of the following a constitutional right a key instrument of self defense a guarantee of political freedoms and as a major factor in crime and personal injury The reference is divided into three volumes The first volume covers firearm history legislation and policy the second volume explores public opinion gun ownership trends international laws and self defense and the third considers popular debates about firearm policy including concealed carry of firearms terrorism and the ownership of firearms background checks for purchasing guns and stand your ground laws The work concludes with an informed debate on gun policy between Richard Feldman president of the Independent Firearm Owners and Paul Helmke former president of the Brady Campaign to Prevent Gun Violence **Under the Gun** Peter H.

Rossi,2017-09-29 In 1978 the Social and Demographic Research Institute of the University of Massachusetts Amherst received a grant from the National Institute of Justice to undertake a comprehensive review of the literature on weapons crime and violence in the United States The purpose of the project is best described as a sifting and winnowing of the claims and counterclaims from both sides of the Great American Gun War the perennial struggle in American political life over what to do if anything about guns about violence and about crime The review and analysis of the available studies consumed the better part of three years the results of this work are contained in this volume The intention of any review is to take stock of the available fund of knowledge in some topical area Under the Gun is no different our goal has been to glean from the volumes of previous studies those facts that in our view seem firmly and certainly established those hypotheses that seem adequately supported by or at least approximately consistent with the best available research evidence and those areas or topics about which it seems we need to know a lot more than we do One of our major conclusions can be stated in advance despite the large number of studies that have been done many critically important questions have not been adequately researched and some of them have not been examined at all Much of the available research in the area of weapons and crime has been done by advocates for one or another policy position As a consequence the manifest intent of many studies is to persuade rather than to inform We have tried to approach the topic from a purely agnostic point of view treating as an open question what policies should be enacted with regard to gun or crime control Thus we have tried to judge each study on its own merits on the basis of the routine standards normally applied to social scientific research and not on the basis of how effectively it argues for a particular policy direction It would of course be presumptuous to claim that we have set aside all our own biases in conducting this study Whether or not our treatment is fair and objective is clearly something for the reader and not us to decide **Guilty Guns** Lewis B. Wright, Peter Henry Rossi, National Institute of Justice (U.S.), 1981 **Who Killed One the Gun?** Gigi Little, 2025-10-07 A cozy noir for fans of Knives Out time loops and old time whodunits Private eye One the Gun and his right hand dame Two the True Blue are on the trail of the killer of Five the No Longer Alive But as the numbers and the clues stack up One the Gun realizes that today is exactly like yesterday in fact maybe actually is yesterday and he s pretty sure that at the end of yesterday he was shot to death It s a dilly of a pickle as time continues to loop back on itself one murder case becomes two and the gumshoe races against the clock to smoke out his own killer before that killer can stop his clock for keeps Gigi Little s noir soaked and delightfully surreal debut pays homage to the radio classics of the forties and fifties while investigating themes of greed sexism and the consequences of unchecked power [A Women's Guide to Handling Guns - A Woman's Self-Defense](#) Dina Angco, John Davidson, 2015-01-11 A Women s Guide to Handling Guns A Woman s Self Defense Table of Contents Introduction Chapter 1 Does a Woman Need a Gun for Self defense Chapter 2 What type of gun is for me Chapter 3 How to get started Chapter 4 The Cardinal Rules of Gun Safety Chapter 5 Parts of a Gun Chapter 6 Learning to Fire your Gun Chapter 7 Practical Shooting the sport Chapter 8 When you are under attack Chapter 9 Additional Safety Precautions Conclusion Author Bio Bonus Content Introduction Mental Attitude Towards Violence How to Stop from Panicking Facing Your Attacker Rules to Protect Yourself Going Out to a Party When You Are Walking What If You Are Being Followed Traveling on Your Own Traveling in Your Car Relationships Going Wrong No Means No To drink Or Not to Drink That Is the Question Learning How to Fight Back How to Protect Yourself Against Grabs Conclusion Author Bio Publisher Introduction I wrote this book to share what I have learned in gun handling and to give some idea not only to women but also to men of how a woman perceives this man dominated gadget or equipment I would say that 99% of women who know how to handle a gun or who are engaged in practical shooting as a sport were influenced by a male in their lives whether it is the father husband brother boyfriend uncle or a male friend Gun ownership inarguably is a man s world But it did not say that women cannot dip their fingers to it if it is necessary or even if she was just plain interested In my case the guilty party was my husband who suavely got my nod first for him to own a gun and later on to join him on his shooting practice tournaments and gun shows I have to admit that in the beginning I would cringe whenever I would see him working on his gun and later on guns I always have this thought that it will discharge accidentally and someone could get hurt At that time I could not even hold a gun But then gradually I warmed up to it I started holding the gun no bullets of course until later on my husband would be training me on how to hold it properly how to get the right stance and eventually how to fire it Believe it or not within months I was going with him on his practice shooting and tournaments At first I was the photographer and videographer Eventually I would be doing my own practice sessions and would join him on tournaments *Handgun Crime Control, 1975-1976* United States.
