The Supernatural and Fantastic in Short Detective Fiction Laird R. Blackwell, 2020-11-23 Although fantasy and supernatural literature have long and celebrated histories many critics contend that the fantastic and the supernatural have no place in the logical rational world of the detective story This book is the first extensive study of the fantastic in detective fiction and it explores the highly debated question of whether detective fiction and the fantastic can comfortably coexist The locked room mystery which often uses the fantastic as a red herring to eventually be debunked by reason and logic has long been among the most popular subgenres of detective fiction This book also explores stories featuring almost supernaturally gifted detectives stories where the supernatural is truly encountered and stories with ambiguous endings Close to 500 detective stories from 1841 to 2000 in which the fantastic or supernatural plays a central role are discussed and analyzed Although not all the stories are judged to be successful as detective tales in the great majority the fantastic enlivens the tale and deepens the mystery without weakening the detective elements

Mysteries Unlocked Curtis Evans, 2016-04-19 In honor of the 70th birthday of Professor Douglas G Greene mystery genre scholar and publisher this book offers 24 new essays and two reprinted classics on detective fiction by contributors around the world including ten Edgar Mystery Writers of America winners and nominees The essays cover a myriad of authors and books from more than a century from J S Fletcher's *The Investigators* originally serialized in 1901 to P D James *Death Comes to Pemberley* published at the end of 2011 Subjects covered include detective fiction in the Edwardian era and the Golden Age between the two world wars hard boiled detective fiction mysteries and intellectuals and pastiches short stories and radio plays
