The Hashish Man And Other Stories:

The Hashish Man and Other Stories Lord Dunsany, 1996 A collection of 23 short stories introducing one of the original masters of early 20th century science fiction and fantasy to a new generation of readers Oft cited as a major influence on H P Lovecraft and J R R Tolkein Dunsany s work continues to delight and cause intrigue *The A to Z of Fantasy Literature* Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites

The Mountain Of green Tea and other Stories Yahyá al-Ṭāhir ‘Abd Allāh, 1991 Yahya Taher Abdullah writes with a poetic vividness that is unblurred by outside influences His raw material is the harsh life of the peasants of Upper Egypt or of Cairo seen through the eyes of peasants who have migrated there in search of work Few writers delve so subtly into a society that is strictly bounded by religious and social mores and rigid codes of behavior It is a society without sophistication whose members concern themselves with such basic matters as money and personal honor and where death is ever present to put an end to their futile endeavors Abdullah deals with a psychological world that has no equivalent in Western life or literature Unfamiliar though it may be it is made real and significant by his sensitivity and artistry

Lord Dunsany S. T. Joshi, Darrell Schweitzer, 2013-12-13 Anglo Irish writer Lord Dunsany 1878 1957 was a pioneering writer in the genre of fantasy literature and the author of such celebrated works as *The Book of Wonder* 1912 and *The King of Elfland s Daughter* 1924 Over the course of a career that spanned more than five decades Dunsany wrote thousands of stories plays novels essays poems and reviews and his work was translated into more than a dozen languages Today Dunsany s work is experiencing a renaissance as many of his earlier works have been reprinted and much attention has been paid to his place in the history of fantasy and supernatural literature This bibliography is a revision of the landmark volume published in 1993 which first charted the full scope of Dunsany s writing

This new edition not only brings the bibliography up to date listing the dozens of new editions of Dunsany's work that have appeared in the last two decades and the wealth of criticism that has been written about him but also records many obscure publications in Dunsany's lifetime that have not been previously known or identified. In all the bibliography has been expanded by at least thirty percent. Among this new material are dozens of uncollected short stories, newspaper articles and poems and many books, essays and reviews of Dunsany's work published over the past century. Altogether this bibliography is the definitive listing of works by and about Dunsany and will be the foundation of Dunsany studies for many years to come.

Historical Dictionary of Fantasy Literature Allen Stroud, 2023-06-12 Fantasy is both old and new. In the ancient past stories of magic where supernatural creatures existed, the gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with history, religion and fact. It is only in the last few hundred years that a conscious suspension of disbelief has allowed us to return to fantasy, the literature of the impossible, and appreciate it for its craft and storytelling once more. *Historical Dictionary of Fantasy Literature* Second Edition contains a chronology, an introduction, an extensive bibliography and cross-referenced entries on more than 800 authors ranging across the entire historical spectrum. More than 200 other entries describe the fantasy sub-genres, key images in fantasy literature, technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies, scholarly fantasies and lifestyle fantasies. This book is an excellent resource for students, researchers and anyone wanting to know more about fantasy literature.

Dangerous Games Joseph P. Laycock, 2015-02-12 The 1980s saw the peak of a moral panic over fantasy role playing games such as *Dungeons and Dragons*. A coalition of moral entrepreneurs that included representatives from the Christian Right, the field of psychology and law enforcement claimed that these games were not only psychologically dangerous but an occult religion masquerading as a game. *Dangerous Games* explores both the history and the sociological significance of this panic. Fantasy role playing games do share several functions in common with religion. However, religion as a socially constructed world of shared meaning can also be compared to a fantasy role playing game. In fact, the claims of the moral entrepreneurs in which they presented themselves as heroes battling a dark conspiracy often resembled the very games of imagination they condemned as evil. By attacking the imagination they preserved the taken-for-granted status of their own socially constructed reality. Interpreted in this way, the panic over fantasy role playing games yields new insights about how humans play and together construct and maintain meaningful worlds. Laycock's clear and accessible writing ensures that *Dangerous Games* will be required reading for those with an interest in religion, popular culture and social behavior both in the classroom and beyond.

Dirty Money and Other Stories Ayn Imperato, 1999 Brilliantly humorous short stories about the modern urban life of a groovy punk rock gal in search of love, fun and gainful employment. Along the way she finds work at a Goth store posing for pornographic photographs while covered in mud and as a movie extra playing a refugee in Hell.

The Hashish Man And Other Stories Introduction

In today's digital age, the availability of The Hashish Man And Other Stories books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Hashish Man And Other Stories books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Hashish Man And Other Stories books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Hashish Man And Other Stories versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Hashish Man And Other Stories books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Hashish Man And Other Stories books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Hashish Man And Other Stories books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and

making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Hashish Man And Other Stories books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Hashish Man And Other Stories books and manuals for download and embark on your journey of knowledge?
