Brammer, 1985 The Helping Relationship is a book for learning and teaching basic philosophy helping skills and processes that are essential grounding for most professions and for all human contact occupations The Helping Relationship presents and illustrates skills in the order in which they are used in the helping process The primary emphasis in the helping process is to promote self help such as coping competence to solve one's own problems and draw on one's own inner strengths For social workers counselors business managers nurses and anyone involved in the helping professions **The Helping Relationship; Process and Skills. 2nd Ed** Lawrence M.

Brammer, 1979 **National Library of Medicine Current Catalog** National Library of Medicine (U.S.), 1971 *Current Catalog* National Library of Medicine (U.S.), First multi year cumulation covers six years 1965-70 Books in Series, 1985 Vols for 1980 issued in three parts Series Authors and Titles Crisis Intervention Alan A. Cavaiola, Joseph E.

Colford, 2017-10-24 Crisis Intervention takes into account various environments and populations across the lifespan to provide students with practical guidelines for managing crises Drawing on over 25 years of relevant experience authors Alan A. Cavaiola and Joseph E. Colford cover several different types of crises frequently encountered by professionals in medical school work and community settings Models for effectively managing these crises are presented along with the authors own step by step approach the Listen Assess Plan Commit LAPC model giving students the freedom to select a model that best fits their personal style or a given crisis Future mental health professionals will gain the knowledge skills and confidence to help their clients manage the crises they will encounter in their day to day lives Culture-Centered Counseling Interventions

Paul Pedersen, 1997-03-11 Should culture play a central role in counseling What are the advantages of making culture central in the counseling process Can culture centered counseling strengthen the field of counseling Taking an active approach to breaking down cultural barriers Culture Centered Counseling Interventions recognizes culture as a barrier and brings a true understanding of culture into the therapeutic context Author Paul B. Pedersen emphasizes that once counselors truly understand the culture of their patients cultural understanding can be used as a tool of accuracy indispensable to the practice of good counseling In this practical guide the culture centered process is modeled as a principal dimension in counseling Exercises and applications are included in each chapter of the book clearly demonstrating how the course might be taught In addition thought provoking culture notes are interspersed throughout the text and provide the reader with helpful insights and challenges Introducing the reader to specific ways of making culture central to counseling Culture Centered Counseling Interventions is the ideal resource for courses in clinical and counseling psychology multicultural and cross cultural psychology social work and nursing *Tuning the Rig* Fred Herron, 2010 To tune the rig describes adjusting a ship's rigging the rig of a well tuned boat allows the sails to function well This task must be performed to ensure the best performance by the ship Tuning the Rig takes that metaphor as a guide for Catholic educators and administrators as well as

for the larger church It argues from a variety of perspectives rooted in the Catholic imagination that the rig constantly needs to be re tuned to balance between visions of the church as teacher and learner Why should this matter to Catholic educators To Herron our understanding of the church as learner is at the heart of our understanding of ourselves as disciples One of the logical consequences of this era of baptismal consciousness is a rising awareness on the part of the laity that their task is not simply to pay pray and obey but to grow and journey in faith Herron s focus ranges from issues closely pertaining to Catholic schools to the larger questions of the Catholic imagination The underlying thread however is the challenge of maintaining the richness of the Catholic imagination of tuning the rig in changing times and the ordinary life of the church

Interviewing in a Changing World Jonathan H. Amsbary, Larry Powell, 2018-01-17 Interviewing in a Changing World offers students the broadest coverage of interviewing available today by including several unique interview situations Students begin to develop a better understanding of how to utilize strong interviewing skills in several different settings as this text demonstrates that interviewing techniques differ in accordance with varying situations and contexts The Second Edition covers employment contexts such as job interviews persuasive interviews performance and appraisal interviews as well as media interviews on radio television newspapers and political reporting There are two full chapters on research including interviewing skills needed for both qualitative and quantitative research The book covers several unique interviewing situations that are on the cutting edge of communication research with an interview with a professional from the field and multiple sidebars on related theoretical and applied issues within each chapter *A Practicum in TESOL* Graham Crookes, 2003-07-14 A Practicum in TESOL is a valuable source book for both teacher educators and classroom teachers It ranges widely across key areas of practice from the nitty gritty of lesson planning and classroom management through conceptual areas such as motivation and observation to crucial if more abstract aspects such as teachers beliefs and values It also delves into the moral and political dimensions of teaching Discussion of these areas though well grounded in relevant academic literatures is also supported by extensive quotes from real teachers working on their practice The treatment is sufficiently challenging to interest the experienced teacher while covering matters of basic practice that would be of concern to the beginner Anyone doing a TESOL practicum will want to use this book whether as an in service teacher or as a teacher longing to further their professional development A Practicum in TESOL can be used individually or in groups The Academic Chairperson's Handbook , 1990-01-01 Between 1990 and 2004 universities and colleges will compete fiercely for 335 000 new faculty members That is just one challenge looming for chairpersons whose domain has been transformed by changing departmental missions Until now the academic chair has received little guidance not only in dealing with new trends but in the daily running of a department The Academic Chairperson s Handbook is an important resource book for leaders who can make a positive difference This handbook draws on interviews with two hundred successful academic chairpersons from seventy campuses who discuss their solutions to typical problems that occur in bridging the relations

between faculty administration students and the public The first of its two parts presents fifteen strategies for developing a department exercising leadership and reaching out to faculty The second part applies these strategies to the everyday business of improving teaching performance and promoting scholarship hiring and dealing with personnel conflicts Based on a national project supported by TIAA CREF The Academic Chairperson's Handbook will be indispensable to department heads at colleges and universities of all sizes throughout the United States
