The Matisse Stories:

The Matisse Stories A. S. Byatt, 2009-09-23 Three delightful stories inspired by a painting of Henri Matisse from the Booker Prize winning author of *Possession* and a writer of dazzling inventiveness *Time* An exquisite triptych Richly drawn and touches upon things that matter to people People These stories celebrate the eye even as they reveal its unexpected proximity to the heart For if each of A S Byatt's narratives is in some way inspired by a painting of Henri Matisse each is also about the intimate connection between seeing and feeling about the ways in which a glance we meant to be casual may suddenly call forth the deepest reserves of our being Beautifully written intensely observed *The Matisse Stories* is fiction of spellbinding authority Full of delight and humor *The Matisse Stories* is studded with brilliantly apt images and a fine sense for subtleties of conversation and emotion *San Francisco Chronicle* *The Matisse Stories* Antonia Susan Byatt, 1993 Three stories each touched by the paintings of Henri Matisse *The Use of Art Work in 'The Matisse Stories' by A. S. Byatt* Martha da Gama Howells, 1998 **A.S. Byatt and the Heliotropic Imagination** Jane Campbell, 2004-05-26 Contemporary writer Byatt uses the term heliotropic in two ways First it refers to her exploration and development of her own relation to the sun and to how her women characters experience adventures of the mind and feelings that bring them into the sun's light Second it refers to the fact that she suffers from seasonal affective disorder and **A.S. Byatt** Celia M. Wallhead, 2007 A S Byatt has always alternated novels with shorter fiction Different literary and linguistic models are applied here to analyse how she guides her readers understanding of vital complex issues within her perennial themes of life creativity and death This study focuses on certain stories from the six volumes of short fiction she has produced to date The two novellas of *Angels and Insects* are scrutinised for their intertextuality while stories from *Sugar and Other Stories* *The Matisse Stories* *The Djinn in the Nightingale's Eye* *Elementals* *Stories of Fire and Ice* and *Little Black Book of Stories* are novel discussions of creativity and related gender issues **The Collected Stories of Mavis Gallant** Mavis Gallant, 2016-08-09 This generous collection of fifty two stories selected from across her prolific career by the author includes a preface in which she discusses the sources of her art A widely admired master of the short story Mavis Gallant was a Canadian born writer who lived in France and died in 2014 at the age of ninety one Her more than one hundred stories most published in *The New Yorker* over five decades beginning in 1951 have influenced generations of writers and earned her comparisons to Anton Chekhov Henry James and George Eliot She has been hailed by Michael Ondaatje as one of the great story writers of our time With irony and an unfailing eye for the telling detail Gallant weaves stories of spare complexity often pushing the boundaries of the form in boldly unconventional directions The settings in *The Collected Stories* range from Paris to Berlin to Switzerland from the Italian Riviera to the Côte d'Azur and her characters are almost all exiles of one sort or another as she herself was for most of her expatriate life The wit and precision of her prose combined with her expansive view of humanity provide a rare and deep reading pleasure With breathtaking control and compression Gallant delivers a whole life a whole world in each story The
