## **The Meaning Of Persons:**

**The Meaning of Persons** Paul Tournier, The Meaning of Persons is a book classified as a book of Psychology of the personality The author doctor Paul Tourier was a prolific writer and the Father of some new paradigms in the medical field Paul Tournier is a giant of medicine psychology and the Christian faith It was very interesting to consider that every person shows some outside unreal mask about him or herself At the same time every person must find sincerely his own being This is the central idea of the book being from where the author takes his stand Tournier assures that every man there is a part of impenetrable mystery even to himself The relationships we maintain with our peers greatly depend on who we are It is extremely important to improve ourselves in order to improve our relationships If we are surrounded by people every day of our lives then every effort that we put forth to improve our relationships will be worthwhile A human being is a whole within its self The Swiss doctor in this book shows us many cases of people that were affected physically and because of that began to suffer psychologically A typical case would be the loss of an arm or leg The person s whole personality is affected This holistic vision of man helps us to realize that a person cannot divided into parts or sections Every man is an inseparable essence From this truth a new one can be derived There are as many personalities as people on the face of the earth While it may be possible to classify certain aspects of human personalities every individual person manages his or her own personality The person and the community are important for the author In other words a person could not exist outside of his or her community Only in human inter relationship can a person discover his or her real personality From a spiritual point of view this reminds me of something that the Bible tells us that the prophet Isaiah experienced when he was called to the ministry When Isaiah saw God s glory he became more aware if his own person God cleanses Isaiah from sin and gives him a job to do in his community That is why I consider that spiritual growth is the primary foundation to knowing oneself and others

**Spiritual Discourse and the Meaning of Persons** Patrick Grant,1994-03-15 Arguing that there is a close relationship between aspects of the literature of Western spirituality and evolving ideas of the person this book charts the interaction between literature and theology in producing certain historically conditioned interpretations of what it means to be a person *The Meaning of Persons* Paul Antoine Tournier,1970 Modernism and the Meaning of Corporate Persons Lisa Siraganian,2020 Exploring legal treatises court decisions political illustrations photographs and modernist literature this volume reveals that the ambiguous status of corporate intention in the first half of the twentieth century provoked conflicting theories of meaning and interpretation still debated today

**I: The Meaning of the First Person Term** Maximilian de Gaynesford,2006-03-02 I is perhaps the most important and the least understood of our everyday expressions This is a constant source of philosophical confusion Max de Gaynesford offers a remedy he explains what this expression means its logical form and its inferential role He thereby shows the way to an understanding of how we express first personal thinking He dissolves various myths about how I refers to the effect that it is a pure indexical His central claim is that thekey to

understanding I is that it is the same kind of expression as the other singular personal pronouns you and he she a deictic term whose reference depends on making an individual salient He addresses epistemological questions as well as semantic questions and shows how they interrelate The book thus not only resolves a key issue in philosophy of language but promises to be of great use to people working on problems in other areas of philosophy

The Meaning of Whitemen Ira Bashkow,2006-07-17 A familiar cultural presence for people the world over the whiteman has come to personify the legacy of colonialism the face of Western modernity and the force of globalization Focusing on the cultural meanings of whitemen in the Orokaiva society of Papua New Guinea this book provides a fresh approach to understanding how race is symbolically constructed and why racial stereotypes endure in the face of counterevidence While Papua New Guinea s resident white population has been severely reduced due to postcolonial white flight the whiteman remains a significant racial and cultural other here not only as an archetype of power and wealth in the modern arena but also as a foil for people s evaluations of themselves within vernacular frames of meaning As Ira Bashkow explains ideas of self versus other need not always be anti humanistic or deprecatory but can be a creative and potentially constructive part of all cultures A brilliant analysis of whiteness and race in a non Western society The Meaning of Whitemen turns traditional ethnography to the purpose of understanding how others see us
