PERRINE, MATTHEW LA RUE, 1777-1836

The Memoirs Of William J Oliphant

H Kauffman

The Memoirs Of William J Oliphant:

Civil War Memoirs of William James Oliphant, C.S.A. William James Oliphant, 1909 *Only a Private* William James Oliphant, 2004 **Gettysburg's Most Hellish Battleground** Phillip Thomas Tucker, 2019-03-19 During the crucial three days of combat at Gettysburg the most nightmarish place on the entire battlefield was appropriately named the Devil's Den This jumble of huge boulders situated at the southern end of Houck's Ridge was truly a hell on earth during the decisive afternoon of July 2 1863 The tenacious struggle that raged beyond control at the battle line's southern end was all important because the Devil's Den and Houck's Ridge anchored the left flank of the over extended Union battle line before Federal troops occupied Little Round Top to the east The battle hardened veterans of Lieutenant General James Longstreet's First Corps captured this vital sector the first Union left flank in one of the few Southern successes of the second day after some of the war's most bitter fighting Nevertheless the dramatic story of the successful turning of the first Union left flank has been long overlooked and ignored largely because of the giant historical shadow cast by the more famous struggle at Little Round Top which was only the second and last fight for the southern flank of both armies on July 2 Therefore the important contest for possession of the first Union left flank at the Devil's Den and Houck's Ridge was crucial on the bloody afternoon that decided the fate of America Includes 22 colour and sepia tinted photographs **Georgia Civil War Manuscript Collections** David H. Slay, 2011-10-28 This book provides historians and genealogists with a one stop guide to every Civil War related manuscript collection stored in Georgia's many repositories With this guide in hand researchers will no longer spend countless hours pouring through online catalogs emailing archivists and wondering if they have exhausted every lead in their pursuit of firsthand information about the war and the experiences of those who lived through and were impacted by it In assembling the first state specific bibliography to be compiled since the Indiana and Illinois bibliographies were assembled for the Civil War Centennial in the 1960s David Slay has expanded the scope of this survey to include works relating to women African Americans and social history as well as the letters and diaries of soldiers who fought in the war reflecting society's evolving understanding and interest in this defining period of American life In addition this compilation is not confined to material produced from 1861 to 1865 but also includes collections spanning the lives of prominent Civil War figures making it an invaluable source for biographers Organized by institution Georgia Civil War Manuscript Collections has many time saving features all designed to increase efficiency of research Each collection description contains the title and catalog number used in the holding institution Where possible collection descriptions have been improved upon providing the researcher with information beyond what is listed in the holding institution's card catalog and finding aid It also cross references duplicate collections that are held in two or more institutions as microfilm or photocopies Simply put Georgia Civil War Manuscript Collections takes the mystery out of Civil War research in Georgia [Lost Causes](#) Bradley R. Clampitt, 2022-06 This groundbreaking analysis of Confederate demobilization examines the state of mind of Confederate

soldiers in the immediate aftermath of war Having survived severe psychological as well as physical trauma they now faced the unknown as they headed back home in defeat Lost Causes analyzes the interlude between soldier and veteran suggesting that defeat and demobilization actually reinforced Confederate identity as well as public memory of the war and southern resistance to African American civil rights Intense material shortages and images of the war s devastation confronted the defeated soldiers turned veterans as they returned home to a revolutionized society Their thoughts upon homecoming turned to immediate economic survival a radically altered relationship with freedpeople and life under Yankee rule all against the backdrop of fearful uncertainty Bradley R Clampitt argues that the experiences of returning soldiers helped establish the ideological underpinnings of the Lost Cause and create an identity based upon shared suffering and sacrifice a pervasive commitment to white supremacy and an aversion to Federal rule and all things northern As Lost Causes reveals most Confederate veterans remained diehard Rebels despite demobilization and the demise of the Confederate States of America

River of Death--The Chickamauga Campaign William Glenn Robertson,2018-10-03 The Battle of Chickamauga was the third bloodiest of the American Civil War and the only major Confederate victory in the conflict s western theater It pitted Braxton Bragg s Army of Tennessee against William S Rosecrans s Army of the Cumberland and resulted in more than 34 500 casualties In this first volume of an authoritative two volume history of the Chickamauga Campaign William Glenn Robertson provides a richly detailed narrative of military operations in southeastern and eastern Tennessee as two armies prepared to meet along the River of Death Robertson tracks the two opposing armies from July 1863 through Bragg s strategic decision to abandon Chattanooga on September 9 Drawing on all relevant primary and secondary sources Robertson devotes special attention to the personalities and thinking of the opposing generals and their staffs He also sheds new light on the role of railroads on operations in these landlocked battlegrounds as well as the intelligence gathered and used by both sides Delving deep into the strategic machinations maneuvers and smaller clashes that led to the bloody events of September 19 20 1863 Robertson reveals that the road to Chickamauga was as consequential as the unfolding of the battle itself **Battle of**

Pickett's Mill Brad Butkovich,2014-09-30 This Civil War history examines one of General Sherman s devastating losses a battle famously captured in Ambrose Bierce s *The Crime at Pickett s Mill* On May 27 1864 Union forces under the command of William Tecumseh Sherman attacked Confederate general Joseph E Johnston and his men at Pickett s Mill in Paulding County Georgia Following his defeat at New Hope Church Sherman ordered Major General Oliver Howard to attack Johnston s flank which Sherman believed to be exposed But the Confederate soldiers were ready and Sherman s supporting troops never arrived What ensued was a battle that cost 2 100 lives and a defeat that Sherman left completely out of his memoirs In this detailed historical analysis Brad Butkovich draws on personal letters newspaper accounts and unit histories to bring to life the battle that Union soldier and author Ambrose Bierce called the Dead Line *Only a Private* James M.

McCaffrey,1987 *Granbury's Texas Brigade* John R. Lundberg,2012-03-14 John R Lundberg s compelling new military

history chronicles the evolution of Granbury's Texas Brigade perhaps the most distinguished combat unit in the Confederate Army of Tennessee Named for its commanding officer Brigadier General Hiram B Granbury the brigade fought tenaciously in the western theater even after Confederate defeat seemed certain Granbury's Texas Brigade explores the motivations behind the unit's decision to continue to fight even as it faced demoralizing defeats and Confederate collapse Using a vast array of letters diaries and regimental documents Lundberg offers provocative insight into the minds of the unit's men and commanders The caliber of that leadership he concludes led to the group's overall high morale Lundberg asserts that although mass desertion rocked Granbury's Brigade early in the war that desertion did not necessarily indicate a lack of commitment to the Confederacy but merely a desire to fight the enemy closer to home Those who remained in the ranks became the core of Granbury's Brigade and fought until the final surrender Morale declined only after Union bullets cut down much of the unit's officer corps at the Battle of Franklin in 1864 After the war Lundberg shows men from the unit did not abandon the ideals of the Confederacy they simply continued their devotion in different ways Granbury's Texas Brigade presents military history at its best revealing a microcosm of the Confederate war effort and aiding our understanding of the reasons men felt compelled to fight in America's greatest tragedy **The Brave Men of Company A** Edward S.

Cooper, 2015-02-18 On August 26 1861 one hundred volunteers met at Camp Wood and formed Company A These men for the most part were well educated and left to us a series of letters to families and friends diaries letters to their local newspapers official reports and talks they gave after the war at reunions Their correspondence differs from most others in that they do not simply record the temperature and what they had to eat The story the correspondence of Company A tells allows the reader to know what it was really like to be a volunteer soldier The men describe what they saw from their vantage points on the parts of the battlefield they could see Their letters cover their discussions and arguments concerning slavery the national draft the right of citizen soldiers to confiscate property and the use of blacks in combat On a very personal level they describe what it was like to be captured and spend time in Confederate prisons awaiting exchange what they felt when they had to leave wounded or dead comrades on the field when they had to retreat whether to reenlist the punishments they had to endure the witnessing of military executions and whether to mutiny There are marvellous descriptions of the unauthorized truces the men arranged with the Confederates to trade tobacco for coffee or to bathe in a stream separating them

The book delves into The Memoirs Of William J Oliphant. The Memoirs Of William J Oliphant is a vital topic that must be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into The Memoirs Of William J Oliphant, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to The Memoirs Of William J Oliphant
 - Chapter 2: Essential Elements of The Memoirs Of William J Oliphant
 - Chapter 3: The Memoirs Of William J Oliphant in Everyday Life
 - Chapter 4: The Memoirs Of William J Oliphant in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, this book will provide an overview of The Memoirs Of William J Oliphant. This chapter will explore what The Memoirs Of William J Oliphant is, why The Memoirs Of William J Oliphant is vital, and how to effectively learn about The Memoirs Of William J Oliphant.
 3. In chapter 2, this book will delve into the foundational concepts of The Memoirs Of William J Oliphant. The second chapter will elucidate the essential principles that must be understood to grasp The Memoirs Of William J Oliphant in its entirety.
 4. In chapter 3, this book will examine the practical applications of The Memoirs Of William J Oliphant in daily life. This chapter will showcase real-world examples of how The Memoirs Of William J Oliphant can be effectively utilized in everyday scenarios.
 5. In chapter 4, the author will scrutinize the relevance of The Memoirs Of William J Oliphant in specific contexts. This chapter will explore how The Memoirs Of William J Oliphant is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, the author will draw a conclusion about The Memoirs Of William J Oliphant. The final chapter will summarize the key points that have been discussed throughout the book.
- This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of The Memoirs Of William J Oliphant.
