The Mercury Man Mary Howis, 2011-01-21 On 24 November 1991 people all over the world mourned the untimely death of Freddie Mercury lead singer of rock band Queen But for the author Mary Howis her life would never be the same as from that day forward she was aware of a strange presence around her someone from the spirit world the spirit that once was Freddie Mercury known in the spirit world as the Mercury Man Mary had been chosen for a special mission to be an instrument for the spirit world for Freddie through which they could communicate But why her Why someone who until the news reports of Freddie Mercury's death had never even heard of him Mary tells the story of her spiritual journey of discovery from disbelief self doubt and denial to an absolute conviction that what she was experiencing was real the messages she was receiving were true and they were proof that life continues after death that Freddie was still alive in spirit form and had much knowledge to impart to the world Despite the ridicule she might face Mary knew that she was destined to write this book to tell her story Freddie's story to the world in the hope that it would bring comfort and hope to those who are suffering in their earthly bodies who are grieving for loved ones who are fearful of death The message is clear death is not the end it is a new and exciting beginning *The Mercury Man* John Galvin, 2002 **Mercury Man** John

Schrapp, 2021-01-14 This book takes a completely new look at the Anthroposophical Soul Calendar It is about the deeper meaning of the fifty two weekly verses which has remained essentially unexplored in the last hundred years since the first edition by Rudolf Steiner A dense veil of Isis was spread over them of which is well known that no mortal person can lift it Only the immortal psycho spiritual human being who knows himself at home in the extrasensory higher worlds is capable of doing this Only to him the weekly verses reveal themselves as a travel guide through these worlds and lift him up to ever higher spiritual cosmic realms until he reaches the experience of God from where he gradually descends again into a new life on Earth enriched in spirit and fertilized in his soul If the reader embarks on this journey the spiritual archetype of the Soul

Calendar is ultimately unveiled to him and he achieves an extended understanding of Man and Christ By many quotations from Rudolf Steiner s lectures and books the author virtually lets Steiners himself elucidate the breathtaking depths of his mysterious weekly verses
