The Message Of Job A Theological Commentary:

The Message of Job Daniel J. Simundson, 2001-06 The book of Job proves that bad things do happen to good people and the timeless question it raises is Why How can we hold to the justice and goodness of God in the face of undeserved tragedy What is more this great Old Testament book shows how condescending and superficial the attempts to comfort someone who is suffering can be Drawing on his background as pastor hospital chaplain and seminary teacher Daniel Simundson combines theological and pastoral concerns throughout his thematic survey of the trend of thought in the book of Job The result is a useful resource for caregivers general readers study groups and biblical classes A rare combination of Old Testament scholarship and pastoral sensitivity designed especially for those who would minister to suffering individuals as well as for those who are struggling with suffering in their own lives Terence Fretheim Daniel J Simundson is Professor of Old Testament at Luther Seminary in St Paul Minnesota He received his B D degree from Lutheran School of Theology at Chicago and his Ph D degree from Harvard University where he was also a teaching fellow Throughout his career Simundson has maintained what he considers the equally important roles of pastor and scholar Among his other books are Faith Under Fire and Where Is God in My Suffering **An Annotated Guide to Biblical Resources for Ministry** David R.

Bauer, 2011-04-01 David Bauer s Annotated Guide to Biblical Resources for Ministry is without doubt the most complete and up to date practical bibliographic compendium on the Bible now available All interpreters of Scripture pastors and teachers will find the information provided here useful and accessible Especially valuable are the annotations of selected books which offer careful and informed judgments about the usefulness of the works and provide succinct but informative and accurate descriptions and evaluations of each book While Bauer is a New Testament teacher his choices and assessments in the Old Testament bibliography are as good as any Old Testament scholar could produce I do not know of any comparable work for pastors and teachers Patrick D Miller Charles T Haley Professor of Old Testament Theology Princeton Theological Seminary This is one of those rare bibliographic guides that every student of religion seminarian and minister will want to have on his or her bookshelf The focus of this guide is on biblical studies It contains entries on 2 200 books written by 1 300 scholars Annotations describe and evaluate books that are highly recommended Virtually every topic in biblical studies is noted commentaries on each book of the Bible biblical histories theologies and ethics books on the canon archaeology early Judaism and interpretive methods and technical books such as grammars concordances Bible dictionaries and atlases The great strength of this guide is not only that it provides the reader with a wealth of information but also that the format it follows is eminently reader friendly The Guide is invaluable for assisting the student seminarian or minister in building a personal library I highly recommend it Jack Dean Kingsbury Professor Emeritus of Biblical Theology Union Theological Seminary in Virginia This book provides pastors and church workers with a map for navigating the maze of biblical studies It offers an extensive list of resources with helpful comments and recommendations that help readers discover which books will

be of most interest to them The consistent focus is on volumes that are attentive to faith concerns and thus most promising for use within faith communities A valuable tool for any minister or church worker committed to taking the Bible seriously

From Typology to Doxology

Andrew David Naselli, 2012-07-12 At the end of Romans 11 Paul quotes both Isaiah and Job As with other New Testament uses of Old Testament texts this raises several questions What is the context of these Old Testament passages How are they used in other Jewish literature What is Paul's hermeneutical warrant for using them in Romans 11 What theological use does Paul make of them How if at all does their use in Romans 11 contribute to the broader discussion on the use of the Old Testament in the New In addressing these questions this book reveals a remarkable typological connection that climaxes in the doxology of Romans 11:33-36 exalting God's incomprehensibility wisdom mercy grace patience independence and sovereignty
