## **The Midas Touch Money People And Power From West To East:**

*The Midas Touch* Anthony Sampson,1989      **The Richer, The Poorer** Stewart Lansley,2021-11-25 *The Richer The Poorer* charts the rollercoaster history of both rich and poor and the mechanisms that link wealth and impoverishment This landmark book shows how for 200 years Britain s most powerful elites have enriched themselves at the expense of surging inequality mass poverty and weakened social resilience Stewart Lansley reveals how Britain s model of extractive capitalism with a small elite securing an excessive slice of the economic cake has created a two century long high inequality high poverty cycle one broken for only a brief period after the Second World War Why he asks are rich and poor citizens judged by very different standards Why has social progress been so narrowly shared With growing calls for a fairer post COVID 19 society what needs to be done to break Britain s destructive poverty inequality cycle      **ThirdWay** ,1990-10 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture      *The Television Entrepreneurs* Raymond Boyle,Lisa W. Kelly,2016-03-03 With business seemingly everywhere on television from the risks of the retail and restaurant trade to pitching for investment or competing to become the next apprentice *The Television Entrepreneurs* draws upon popular business oriented shows such as *The Apprentice* and *Dragons Den* to explore the relationship between television and business Based on extensive interviews with key industry and business figures and drawing on new empirical research into audience perceptions of business this book examines our changing relationship with entrepreneurship and the role played by television in shaping our understanding of the world of business The book identifies the key structural shifts in both the television industry and the wider economy that account for these changing representations whilst examining the extent to which television s developing interest in business and entrepreneurial issues is simply a response to wider social and economic change in society Does a more commercial and competitive television marketplace for instance mean that the medium itself through a particular focus on drama entertainment and performance now plays a key role in re defining how society frames its engagements with business finance entrepreneurship risk and wealth creation Mapping the narratives of entrepreneurship constructed by television and analysing the context that produces them *The Television Entrepreneurs* investigates how the television audience engages with such programmes and the possible impact these may have on public understanding of the nature of business      *Globalization and the Postcolonial World* Ankie Hoogvelt,2001-06-11 Finally the conclusions have been rethought in the light of the mushrooming cloud of antiglobalist protests      *Professional Competition and Professional Power* Yves Dezalay,David Sugarman,2005-06-22 Examines the ongoing efforts of lawyers and allied professionals to construct police and redefine their boundaries Focusing on the newly emerging large multinationals it explores the relationship between professions the economy and the state      **Global Dreams** Richard J. Barnet,John Cavanagh,1995-03 On globalization and world economy      **The Case Against the Global Economy** Jerry Mander,2014-02-25 The greatest political debate of our time is about the blind rush towards a

single global economy its consequences for jobs democracy human well being and cultural diversity and its impact on the natural world that sustains us Its effects will be profound and irreversible but globalization itself is not inevitable In *The Case Against the Global Economy* 24 leading economic agricultural cultural and environmental authorities drawn from across the world argue that free trade and economic globalization are producing exactly the opposite results to those promised From a detailed analysis of the new global economy its structures and its full social and ecological implications they show how it is undermining our liberty our security and our well being and is devastating the planet First published in the USA in 1996 in an edition focused on North America the book won the American Political Science Association award for the Best Book in Ecological and Transformational Politics This completely revised and updated international edition presents a passionate and persuasive case for the need to reverse course away from globalization and towards a revitalized democracy local self sufficiency and ecological health

**In an Ideal Business** Santiago Iñiguez, 2019-12-27 Business decisions are not just based on abstract theories or models They reflect a world view of how a company operates and the philosophy of management that it follows Even denying any connection between management and values is a philosophical statement in itself Santiago Iñiguez de Onzo President of the prestigious IE Business School looks to the greatest female philosophers from modern history to help us bring purpose and meaning back into the workplace and management education He shows how their pioneering work can be applied in specific situations from Iris Murdoch's emphasis on compassion to Hannah Arendt's work on making the world more human each philosopher can in a very practical way help inform your own approach to work and life Packed with examples personal stories and anecdotes from some of the world's most influential companies and women in business this book examines how the contributions from female philosophers stand up in the real world helping to drive inclusion diversity and ultimately innovation

**The Television Entrepreneurs** Ms Lisa W Kelly, Professor Raymond Boyle, 2013-01-28 With business seemingly everywhere on television from the risks of the retail and restaurant trade to pitching for investment or competing to become the next apprentice *The Television Entrepreneurs* draws upon popular business oriented shows such as *The Apprentice* and *Dragons Den* to explore the relationship between television and business Based on extensive interviews with key industry and business figures and drawing on new empirical research into audience perceptions of business this book examines our changing relationship with entrepreneurship and the role played by television in shaping our understanding of the world of business The book identifies the key structural shifts in both the television industry and the wider economy that account for these changing representations whilst examining the extent to which television's developing interest in business and entrepreneurial issues is simply a response to wider social and economic change in society Does a more commercial and competitive television marketplace for instance mean that the medium itself through a particular focus on drama entertainment and performance now plays a key role in re-defining how society frames its engagements with business finance entrepreneurship risk and wealth creation Mapping the narratives of

entrepreneurship constructed by television and analysing the context that produces them The Television Entrepreneurs investigates how the television audience engages with such programmes and the possible impact these may have on public understanding of the nature of business
