The Poor Cousin Michael Newman,1979 **Routledge Library Editions: Adult Education** Various

Authors,2021-07-14 Against a background of profound worldwide social and economic change the concept of lifelong learning has come increasingly into the public eye As educators and policy makers rethink the meaning of education the purpose of schooling and the place of learning in our everyday lives educational institutions are opening up to those traditionally deprived of the opportunity The books in this set originally published between 1979 and 1992 including global case studies reflect upon major issues confronting adult educators worldwide and discuss the role of adult education in social and community action examine the relationship between class and adult education look at the concept of culture and the transmission of cultural values in relations to adult education evaluate the role of adult education in reducing unemployment

Research Handbook on Adult Education Policy Marcella Milana,Palle Rasmussen,Margherita Bussi,2024-06-05 Bringing together an impressive array of esteemed and emerging academics the Research Handbook on Adult Education Policy addresses how adult learning and education policies are made and the theories and methodologies which can be mobilised to study its developments *The Organization and Planning of Adult Education* Theodore J. Kowalski,1988-09-13 The heightened interest in and the rapid expansion of adult education has become a trend in a variety of environments In order to serve these developing areas educators personnel directors as well as staff development specialists require improved methods for planning learning activities within their own unique organizational contexts In *The Organization and Planning of Adult Education* Kowalski examines the issues created by providing a social service in diverse organizational settings and presents a format for initiating and developing adult education programs In order to comprehend the complexity of the context of programming within an organization two novel components are included first a typology of sponsoring organizations is presented This allows the reader to study program development in greater detail through a categorization of the sponsoring institutions Second organizational theory is applied to the process of programming in adult education To be successful the adult educator must be able to analyze both the existing organizational climate as well as to devise programs compatible with this environment Kowalski has written a valuable resource and guide for those faced with the responsibilities of planning adult education programs in their own particular setting *Sir George Trevelyan, Residential Adult Education and the New Age* Sharon Clancy,2023-11-29 This book examines the development of British post Second World War short term residential adult education through the lens of the Shropshire Adult Education College 1948 1976 and the tenure of Sir George Trevelyan as its first warden Trevelyan is acknowledged as the godfather of new age spiritualism in the UK and is credited with the development of eclectic and esoteric learning opportunities in arts traditional crafts culture and ecology Embodying the spirit of a new national drive for optimism and enterprise in the post war period Trevelyan and his contemporaries at other colleges took risks and innovated in new pedagogical approaches to adult education capturing the

imagination of hundreds of students before being stifled by an increasingly restrictive policy framework and financial strictures The book considers the ideological drivers and tensions behind this unique form of education its inception evolution and virtual demise and seeks to learn from its complex history to inform education in the future

Adult Learners, Adult Education And The Communityaa Brookfield, Stephen,1984-06-01 Adults are continually learning outside of conventional education frameworks acquiring new skills and knowledge in a range of community settings Stephen Brookfield explores the extent and quality of this informal independent learning and the ways in which adult educators can work with independent adult learners to support and enhance their learning

Curriculum Theory in Adult and Lifelong Education Colin Griffin,2018-10-03 Originally published in 1983 Curriculum studies and curriculum theory have tended to be pursued almost exclusively in the context of the school Developments in curriculum theory have therefore not found reflections in much theoretical work in adult education This book points to the necessity of a curriculum theory for adult and continuing education through discussion of both curriculum studies and the principles of adult education The various ways in which systems of adult education are now developing are reviewed in social political and cultural terms and recent advances in education theory are related to developments in post school education

Adult Education: As Social Policy Colin Griffin,2022-02-26 First published in 1987 Adult Education As Social Policy intends to provide an introduction to the social policy analysis of adult education contributing to the larger literature around lifelong or continuing education The roots of policy in alternative social welfare models are traced to their ideological sources and to the origins of adult education theory itself The development of professionalism is also considered in relation to policy analysis and there is a case study of major policy documents to illustrate the analysis The book will be of interest to students of pedagogy education and policy

The Working Men's College and the Tradition of Adult Education Tom Schuller,Richard Taylor,2024-07-05 The Working Men s College WMC is the UK s oldest continuously running adult education institution and a very distinctive example of the British adult education tradition This volume brings the history of the WMC up to date following the 1954 centenary history by JFC Harrison Contributions from a range of professional educators explore topics such as the philosophy of the College the issue of women s entry college governance and the notion of community as it applies to changes in the composition of the student body Additional features include a chapter on the architectural history of the College an interview with Satnam Gill as the key figure who drove through crucial change at a time when the College might have died a chapter from the latest member of a family which has been closely involved with the College over four generations and a range of personal contributions from tutors and students from the past six decades This book will be of interest to historians of the nineteenth and twentieth centuries all those in UK adult education along with local Camden London community and political groups and the WMC s extensive family of former students and tutors
