

THE POPULAR REVOLUTIONS OF THE LATE MIDDLE AGES

Michel Mollat and Philippe Wolff
Translated by A. L. Lytton-Sells

REVOLUTION

The Popular Revolutions Of The Late Middle Ages

Trevor Dean

The Popular Revolutions Of The Late Middle Ages:

The Popular Revolutions of the Late Middle Ages Michel Mollat,Philippe Wolff,2022-02-06 This book first published in 1973 examines the period when wars famines and epidemics bred widespread conflicts culminating in the revolutionary years of 1378 82 with the Florentine Ciompi revolts in Flanders and France and the risings among English labourers The analysis ends with the Hussite crisis which gave the movement a new aspect The troubles were varied with hunger riots in cities and brigandage in the country open struggles between lords and peasants urban conflicts over municipal power and labour conflicts over pay and hours

Popular Protest in Late Medieval English Towns Samuel Kline Cohn,Douglas Aiton,2013 Draws new attention to popular protest in medieval English towns away from the more frequently studied theme of rural revolt

Popular protest in late-medieval Europe Samuel Kline Cohn Jr,2013-01-01 The documents in this stimulating volume span from 1245 to 1424 but focus on the contagion of rebellion from 1355 to 1382 that followed in the wake of the plague They comprise a diversity of sources and cover a variety of forms of popular protest in different social political and economic settings Their authors range across a wide political and intellectual horizon and include revolutionaries the aristocracy merchants and representatives from the church They tell gripping and often gruesome stories of personal and collective violence anguish anger terror bravery and foolishness Of over 200 documents presented here most have been translated into English for the first time providing students and scholars with a new opportunity to compare social movements across Europe over two centuries allowing a re evaluation of pre industrial revolts the Black Death and its consequences for political culture and action This book will be essential reading for those seeking to better understand popular attitudes and protest in medieval Europe

A Plague of Insurrection William H. TeBrake,1993-09 Beginning as a series of scattered rural riots in late 1323 peasant insurrection escalated into a full scale rebellion that dominated public affairs in Flanders for nearly five years Following their own leaders peasants defied the authority of the count of Flanders by driving his officials and their aristocratic allies from the countryside In A Plague of Insurrection William H TeBrake has written the first full length account of the rebellion

The Towns of Italy in the Later Middle Ages Trevor Dean,2000-08-05 The towns of Italy in the later Middle Ages presents over one hundred fascinating documents carefully selected and coordinated from the richest most innovative and most documented society of the European Middle Ages the urban civilization of Italy After a general introduction the book is divided into five sections on physical environment civic religion economy society and politics Each document is individually introduced and set in its own context

The Routledge History Handbook of Medieval Revolt Justine Firnhaber-Baker,Dirk Schoenaers,2016-11-25 The Routledge History Handbook of Medieval Revolt charts the history of medieval rebellion from Spain to Bohemia and from Italy to England and includes chapters spanning the centuries between Imperial Rome and the Reformation Drawing together an international group of leading scholars chapters consider how uprisings worked why they happened whom they implicated what they

meant to contemporaries and how we might understand them now This collection builds upon new approaches to political history and communication and provides new insights into revolt as integral to medieval political life Drawing upon research from the social sciences and literary theory the essays use revolts and their sources to explore questions of meaning and communication identity and mobilization the use of violence and the construction of power The authors emphasize historical actors agency but argue that access to these actors and their actions is mediated and often obscured by the texts that report them Supported by an introduction and conclusion which survey the previous historiography of medieval revolt and envisage future directions in the field The Routledge History Handbook of Medieval Revolt will be an essential reference for students and scholars of medieval political history

Protest, Resistance and Popular Politics in Late Medieval Scotland

Gordon McKelvie, 2025-07-23 This book is the first sustained analysis of popular politics in Scotland during the fourteenth and fifteenth centuries Despite the long running historiography on popular protests in both England and continental Europe there has been little discussion of this phenomenon in Scotland in part because historians specialising in Scotland have paid little attention to the phenomenon of popular revolt save an occasional comment in wider studies There were no large scale popular uprisings in Scotland like the Peasants Revolt in England the Jacquerie in France or the Ciompi in Florence but that does not mean that the wider populace was not politically engaged Indeed many of the key sources for late medieval Scotland including The Bruce Scotichronicon The Dethie of the Kynge of Scotis and the records of the Scottish parliament all contain hints of popular political engagement It is only when these sources are read with a focus on the lower echelons of society that a clearer picture of a populace with political ideals they sought to uphold emerges

The Late Medieval Age of Crisis and Renewal, 1300-1500

Clayton J. Drees, 2000-11-30 As part of a unique series covering the grand sweep of Western civilization from ancient to present times this biographical dictionary provides introductory information on 315 leading cultural figures of late medieval and early modern Europe Taking a cultural approach not typically found in general biographical dictionaries the work includes literary philosophical artistic military religious humanistic musical economic and exploratory figures Political figures are included only if they patronized the arts and coverage focuses on their cultural impact Figures from western European countries such as Italy France England Iberia the Low Countries and the Holy Roman Empire predominate but outlying areas such as Scotland Scandinavia and Eastern Europe are also represented Late medieval Europe was an age of crisis With the Papacy removed to Avignon the schism in the Catholic Church shook the very core of medieval belief The Hundred Years War devastated France The Black Death decimated the population Yet out of this crisis grew an age of renewal leading to the Renaissance The great Italian city states developed Humanism reawakened interest in the cultures of ancient Greece and Rome Dante and Boccaccio began writing in their Tuscan vernacular Italian artists became humanists and flourished As the genius of Italy began spreading to northern and western Europe at the end of the 15th century the age of renewal was completed This book provides thorough basic information on the major cultural figures

of this tumultuous era of crisis and renewal **Rebellion in Medieval Europe, C. 1000-C. 1500** Adrian Jobson, Harriet Kersey, Gordon McKelvie, 2025-04 Essays exploring the dynamics of rebellion across Europe from Sweden and Slovakia to the Iberian Peninsula and Hungary over five centuries Rebellion was a fundamental part of the political ecosystem of the Middle Ages Medieval Europe witnessed numerous instances of noble rebellion popular protest and communal resistance against political authority However most scholarship has focused on the causes and or life cycle of the most famous individual movements such as the Barons War in England the Hussites in Bohemia and the Burgundian Armagnac conflict in France and there has been relatively little comparative analysis of political protest across both time and national borders Where it exists it tends to favour a thematic approach and be narrowly focused in terms of geographical coverage Conversely this book breaks new ground in its wide geographical and chronological range from twelfth century Sicily to late fifteenth century Ireland exploring the various forms that active resistance could take Its essays offer fresh perspectives on rebellion as a political act its theoretical justifications the role of language and propaganda the royal counter responses that it provoked and its ramifications both personal and communal Together they shine a new light on the complex interrelationship between legal authority violence and politics and significantly enhance our understanding of rebellion during this period ke Its essays offer fresh perspectives on rebellion as a political act its theoretical justifications the role of language and propaganda the royal counter responses that it provoked and its ramifications both personal and communal Together they shine a new light on the complex interrelationship between legal authority violence and politics and significantly enhance our understanding of rebellion during this period ke Its essays offer fresh perspectives on rebellion as a political act its theoretical justifications the role of language and propaganda the royal counter responses that it provoked and its ramifications both personal and communal Together they shine a new light on the complex interrelationship between legal authority violence and politics and significantly enhance our understanding of rebellion during this period The Undivided Past David Cannadine, 2014-01-14 From one of our most acclaimed historians a wise and provocative call to re-examine the way we look at the past not merely as the story of incessant conflict between groups but also of human solidarity throughout the ages Investigating the six most salient categories of human identity difference and confrontation religion nation class gender race and civilization David Cannadine questions just how determinative each of them has really been For while each has motivated people dramatically at particular moments they have rarely been as pervasive as divisive or as important as is suggested by such simplified polarities as us versus them black versus white or the clash of civilizations For most of recorded time these identities have been more fluid and these differences less unbridgeable than political leaders

media commentators and some historians would have us believe Throughout history in fact fruitful conversations have continually taken place across these allegedly impermeable boundaries of identity the world as Cannadine shows has never been simply and starkly divided between any two adversarial solidarities but always an interplay of overlapping constituencies Yet our public discourse is polarized more than ever around the same simplistic divisions and Manichean narrative has become the default mode to explain everything that is happening in the world today With wide ranging erudition David Cannadine compellingly argues against the pervasive and pernicious idea that conflict is the inevitable state of human affairs The Undivided Past is an urgently needed work of history one that is also about the present and the future

Unveiling the Magic of Words: A Overview of "**The Popular Revolutions Of The Late Middle Ages**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. The Popular Revolutions Of The Late Middle Ages Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Popular Revolutions Of The Late Middle Ages has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Popular Revolutions Of The Late Middle Ages has opened up a world of possibilities. Downloading The Popular Revolutions Of The Late Middle Ages provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Popular Revolutions Of The Late Middle Ages has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Popular Revolutions Of The Late Middle Ages. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Popular Revolutions Of The Late Middle Ages. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Popular Revolutions Of The Late Middle Ages, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the

legitimacy of the websites they are downloading from. In conclusion, the ability to download The Popular Revolutions Of The Late Middle Ages has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Popular Revolutions Of The Late Middle Ages Books

What is a The Popular Revolutions Of The Late Middle Ages PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Popular Revolutions Of The Late Middle Ages PDF?**

There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Popular Revolutions Of The Late Middle Ages PDF?**

Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Popular Revolutions Of The Late Middle Ages PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Popular Revolutions Of The Late Middle Ages PDF?**

Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any

restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
