The Porkchoppers:

The Porkchoppers Ross Thomas, 2011-10-04 A union boss fights for his job and his life What Elmore Leonard does for crime in the streets Ross Thomas does for crime in the suites *The Village Voice* Born to a steelworker but harboring theatrical aspirations Donald Cubbin grew up tempted by two careers A Hollywood scout finally notices him but Cubbin has already taken a job with the local union boss He s always regretted that decision especially now After decades climbing the ranks Cubbin runs the show as the union s president An election looms and his opponent proves to be a dangerously loose cannon Cubbin made dozens of enemies over the years and one has just engaged a hired killer The fight for Cubbin s job starts with muckraking but could end in murder *The Committee* Sterling Watson, 2020-01-07 Transmutes Lavender Scare investigators ruthless assaults on suspected homosexuals in 1950s Gainesville into heart racing fiction *New York Journal of Books* In the late 1950s Gainesville Florida seems to be a sleepy university town Its residents live by outward appearances ordinary lives And yet the town is far from ordinary The most private acts of professors students townspeople rich and poor and politicians are under the close scrutiny of a shadowy group of men the Committee who use the powers of government and the police to investigate threaten and control this increasingly fearful community The Committee pits friends against friends and threatens careers and lives in a struggle for the soul of a town a university and an ideal Based on actual historical events and set against the backdrop of political cultural and class turmoil this is a story of love both licit and hidden war friendship betrayal compromise and finally the necessity to stand firm against the encroachments upon freedom by men who believe they are doing God s and the government s righteous work The Committee takes place on campus but deserves to be included with those academic novels like Mary McCarthy s *The Groves of Academe* Randall Jarrell s *Pictures from an Institution* Kingsley Amis s *Lucky Jim* and Jane Smiley s *Moo* all books that burst out of their scholarly settings to light up the characters and societies they live in This book will hold you to the very end and after Peter Meinke *Creative Loafing Tampa Bay* At once an historical political and academic novel and it is one that succeeds on all these fronts *Reviewing the Evidence* *Making Modern Florida* Adkins, Mary E, 2016-07-12 Mid twentieth century Florida was a state in flux Changes exemplified by rapidly burgeoning cities and suburbs the growth of the Kennedy Space Center during the space race and the impending construction of Walt Disney World overwhelmed the outdated 1885 constitution A small group of rural legislators known as the Pork Chop Gang controlled the state and thwarted several attempts to modernize the constitution Through court imposed redistribution of legislators and the hard work of state leaders however the executive branch was reorganized and the constitution was modernized In *Making Modern Florida* Mary Adkins goes behind the scenes to examine the history and impact of the 1966 68 revision of the Florida state constitution With storytelling flair Adkins uses interviews and detailed analysis of speeches and transcripts to vividly capture the moves gambits and backroom moments necessary to create and introduce a new state constitution This carefully researched account brings to light the constitutional debates and political

processes in the growth to maturity of what is now the nation's third largest state **The Backup Men** Ross Thomas, 2011-10-04 Mac McCorkle and Mike Padillo team up to help twin bodyguards in a thrilling crime caper from America's best storyteller The New York Times Book Review The twins who walk into Mac McCorkle's bar look identical despite their differing genders Their names are Wanda and Walter Gothar and from the steel in their eyes it's apparent that their business isn't the friendly kind They've come seeking help from Mac and his partner Padilla an ex CIA agent who has skulked in the world's darkest corners Anxious for a big payday the twins took an assignment out of their depth working as bodyguards for a Saudi prince who came to Washington to sign an oil deal The job fell apart and now the twins are being pursued by the world's two finest killers who take out Walter without breaking a sweat Now Mac and Padilla are faced with a choice Save Wanda or join her in the grave Monthly Newsletter, 1965 **The Fourth Durango** Ross Thomas, 2003-12 The Fourth Durango is not your ordinary Durango It's not in Spain or Mexico and it's not a ski town in the Colorado Rockies although Durangos do exist in all of those places This Durango has an industry albeit a rather odd one it is a hideout business a place where people pay to find sanctuary from former friends and associates who are either trying to kill them or have them killed Into this Durango comes a former chief justice of a state supreme court followed by son in law Kelly Vines to act as his emissary to the beautiful and savvy mayor Following them come a false priest and a run of murders It takes a Ross Thomas to stir these characters into a witty and ingenious mix readers will not be able to and certainly would not want to resist
