The Power Of Receiving:

The Power of Receiving Amanda Owen, 2010-12-23 Once in a blue moon an idea comes along that once heard seems so obvious that you wonder why somebody hasn't written about it before. Amanda Owen's *The Power of Receiving: A Revolutionary Approach to Giving Yourself the Life You Want and Deserve* presents a new paradigm for the 21st century: a philosophy that values receiving as much as giving and demonstrates that giving is enhanced when receiving is embraced. With the formula *Believe Receive Achieve*, *The Power of Receiving* presents a wholly original yet easily accessible road map for people to follow, showing readers how to restore balance to their over-extended lives and attract the life they desire and deserve. Inspiring stories are featured about people who have experienced life-altering results after becoming skilled Receivers, including Ken who regained his hearing after a devastating hearing loss, Julie who met the man she would later marry, and Don who received an extra 1,000 a month in his pay check. Based on over twenty years of research into the nature of receptivity and its link to manifestation, *The Power of Receiving* offers a unique vision for anyone seeking to create greater reciprocity in their relationships and more harmony and abundance in their lives.
