The Power Of The Spirit:

Why I Am Still Surprised by the Power of the Spirit Jack S. Deere, 2020-04-07 In his classic *Surprised by the Power of the Spirit* Jack Deere looked at the reason why many Christians including himself at the time struggle to believe in miraculous gifts and he provided a groundbreaking biblical defense of the Holy Spirit's speaking and healing activities today In *Why I Am Still Surprised by the Power of the Spirit* the former Dallas Seminary professor revisits his earlier subject matter with fresh insight and even stronger conviction the Scriptures teach that God is healing and speaking today just as he did 2 000 years ago Having almost entirely rewritten *Surprised by the Power of the Spirit* this new edition comes at a time when the theological landscape has dramatically changed and most evangelicals do believe in all the gifts of the Spirit But many of us are still unsure how to understand those gifts and there is much confusion today on what it means to be filled with the Spirit This book is for those familiar with Deere's work and for newcomers alike In it he Explains the nature of spiritual gifts defining each of them Offers sound advice on discovering and using spiritual gifts in church Tells documented stories of modern miracles and encounters with demonic powers Examines the New Testament use of the phrase filled with the Spirit to show why and how God still fills his servants with the Holy Spirit Introduces the newest literature defending and explaining the gifts of the Spirit With the care of a scholar and the passion of personal experience this new edition builds upon the legacy of *Surprised by the Power of the Spirit* and the profound impact it's had among Christians of many traditions

The Power of the Spirit William Law, 1896 *The Secret to Holy Spirit Authority* David Charles Craley, 2011-11-04 _____ How did He do it _____ How did Jesus do it How did He heal the sick open the eyes of the blind and set the captives free at every opportunity And how did His disciples do it after He ascended into heaven Some may say Jesus could do it because He was God But that point of view suggesting that we cannot do it because we are not God falls short of what Jesus promised His disciples in the Gospel of John Most assuredly I say to you he who believes in Me the works that I do he will do also and greater works than these he will do because I go to My Father John 14 12 NKJV If the Lord's promise to His disciples is true that we can and should be doing the same works He did and greater then there must be answers in the word of God there must be keys to help us understand how With revolutionary prophetic insight *The Secret to Holy Spirit Authority* In the Power of the Spirit reveals step by step how Jesus did it how His disciples did it and how Christian believers today can rise up spiritually to walk in His steps and set the captives free revolutionary prophetic insight _____
