realize the goal of Self knowledge **Swami Kripalu's Yoga of Success and Self-Realization** Richard Faulds,2025-04-15
Reviving the teachings and practices of Swami Kripalu Richard Faulds brings Swami Kripalu alive in a book that illumines the breadth and depth of yoga Stephen Cope author Yoga and the Quest for the True Self Like the Indian sages in whose footsteps he walked Swami Kripalu taught yoga as a wisdom tradition in which disciples maintain a close personal relationship to their guru and demonstrate their fitness to receive each level of its esoteric curriculum through the intensity of their study practice and devotion He adopted this approach for an important reason as the single minded dedication it required was meant to bring forth the best from his top students preserving yoga s spiritual depth and enabling them to pass on its transformative potency Yet this approach also had a downside in that it failed to make the full scope of his teachings accessible to a multitude of seekers unable to join his circle of intimates Swami Kripalu s Yoga of Success and Self Realization presents Swami Kripalu s teachings in a contemporary framework that any reader can understand and put into practice John Mundahl calls it a clear engaging writing style infused with stories Supplementing the narrative are extensive quotations excerpts and teaching stories that remain as close as possible to Swami Kripalu s words Every effort has been made to retain his distinctive voice and subtlety of expression The Diary of Manu Gandhi ,2019-08-20 Manu Gandhi M K Gandhi s grand niece joined him in 1943 at the age of fifteen An aide to Gandhi s ailing wife Kasturba in the Aga Khan Palace prison in Pune Manu remained with him until his assassination She was a partner in his final yajna an experiment in Brahmacharya and his invocation of Rama at the moment of his death Spanning two volumes The Diary of Manu Gandhi is a record of her life and times with M K Gandhi between 1943 and 1948 Authenticated by Gandhi himself the meticulous and intimate entries in the diary throw light on Gandhi s life as a prisoner and his endeavour to establish the possibility of collective non violence They also offer a glimpse into his ideological conflicts his efforts to find his voice and his lonely pilgrimage to Noakhali during the riots of 1946 The first volume 1943 44 chronicles the spiritual and educational pursuits of an adolescent woman who takes up writing as a mode of self examination The author shares a moving portrait of Kasturba Gandhi s illness and death and also unravels the deep emotional bond she develops with Gandhi whom she calls her mother

The Cambridge Companion to Gandhi Judith Brown,Anthony Parel,2011-02-21 Even today six decades after his assassination in January 1948 Mahatma Gandhi is still revered as the father of the Indian nation His intellectual and moral legacy and the example of his life and politics serve as an inspiration to human rights and peace movements political activists and students This book comprised of essays by renowned experts in the fields of Indian history and philosophy traces Gandhi s extraordinary story The first part of the book explores his transformation from a small town lawyer during his early life in South Africa into a skilled political activist and leader of civil resistance in India The second part is devoted to Gandhi s key writings and his thinking on a broad range of topics including religion conflict politics and social relations The final part reflects on Gandhi s image and on his legacy in India the West and beyond **The Superhuman Lifestyle** Radheshyam
