The Presence Of Rene Char:

The presence of Rene Char Mary Ann Caws, 1976 *The Presence of Rene Char* Mary A. Caws, 1976 **Rene Char** James R. Lawler, 2015-03-08 Although Ren Char s distinctive voice has brought him to the forefront of contemporary French writers his complex poetry has remained virtually inaccessible to the general reader In this book an eminent authority on French literature describes Char s evolution and through close readings offers a clear and rewarding introduction to the poet s uvre James Lawler first traces Char s growth by delineating the myth that has guided his poetry for forty years While the Surrealists exerted an early influence on the writer his work diverged from theirs as he gave voice to a more personal attitude toward nature and art to a refashioned poetics and thought The author shows how Char s development culminates in the visionary symbolism of *La Paroi et la Prairie* in which wall and prairie epitomize the unresolved tension of his mature writings Throughout his readings Professor Lawler supplements close textual analysis with consideration of thematic mythological and moral elements of the poetry discussing each aspect as it illuminates the nature of Char s sensibility The ten short poems of *La Paroi et la Prairie* are typical of their author he writes and paradigmatic of a work that is a summit of French poetry since Val ry and Apollinaire Originally published in 1978 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Orion Resurgent** Mechthild Cranston, 1979 René Char's Archipelagic Speech Douglas Wellman Pinto, 1998 Rene Char. [Mit Portr.] (1. Print.) Mary Ann Caws, 1977 **Wounded Fiction** Joseph Adamson, 2016-08-19 This book first published in 1988 does not concern the theory of poetry so much as the poetry of theory a poetry that theorizes that has a view on things that thinks What or what things does poetry think about and what do we mean by thinking The author attempts to answer these questions by examining the work of three poets Wallace Stevens C sar Vallejo and Ren Char and reflects upon the poetry itself This title will be of interest to students of literature and literary theory **Historical Dictionary of Surrealism** Keith Aspley, 2010-10-17 Organized and strictly disciplined until the death of its leader Andr Breton in 1966 Surrealism was a broad movement that attracted many adherents After Breton s death its membership entered a state of flux with people constantly being admitted and excluded and the latter often continuing to regard themselves as Surrealists The Surrealist movement was spread over many countries and different art forms including painting sculpture cinema photography music theater and literature P 4 of cover *The Lonely Mirror* Sandra Kemp, Paola Bono, 2025-04-01 Contributing to a lively dialogue with Anglo American and French theorists *The Lonely Mirror* originally published in 1993 sets out to contextualize Italian feminist theory within the international debate The essays vividly illuminate the specific character of Italian feminism as a political

and intellectual movement and expose the differences between the more institutionalized nature of women's studies in the United States and Britain. It will be of vital interest both to general and academic readers who want to explore some of the most vibrant developments in European feminism. The Facts on File Companion to World Poetry R. Victoria Arana, 2008. The Facts On File Companion to World Poetry 1900 to the Present is a comprehensive introduction to 20th and 21st century world poets and their most famous, most distinctive and most influential poems.
