The Presidency Of Lyndon B Johnson

George C. Herring

The Presidency Of Lyndon B Johnson:

The Presidency of Lyndon B. Johnson Vaughn Davis Bornet, 1983 Presents an assessment of the Johnson administration including the Vietnam issue Guns or Butter : The Presidency of Lyndon Johnson Los Angeles (Emeritus) Irving Bernstein Professor of Political Science University of California, 1996-01-11 The presidency of Lyndon Johnson was a pivotal moment in twentieth century American history From the decisive social programs of the Great Society to the triumph of the Civil and Voting Rights Acts to the catastrophe of the Vietnam War and domestic unrest it was an era of dramatic accomplishment and wrenching tragedy In *Guns or Butter* renowned historian Irving Bernstein brings those five climactic years of the sixties vividly to life from the moment Lee Harvey Oswald aimed a rifle from the window of the Texas School Depository to the tense ballot counting that put Richard Nixon in the White House in 1968 Bernstein's book is a narrative masterpiece filled with sharply drawn character sketches and swiftly moving accounts of events that range from deals cut in the Senate cloakroom to police charging after protesters on the streets of Selma to Vietcong commandos bursting into the American embassy in Saigon We see Johnson ordering aides Bill Moyers and Richard Goodwin to strip and join him for a skinny dip in the White House pool where they formulate the Great Society And we see a tired distracted president pacing in his bathrobe around a table model of the besieged Khe Sanh garrison examining aerial photographs and casualty reports Equally important Bernstein offers a deft assessment of Johnson's successes and failures from his legislative programs to his futile pursuit of the war in Vietnam to his failure to boost Hubert Humphrey's presidential campaign in 1968 The author not only retells the maneuvering that brought the president's plans into law he also analyzes and explains their impact from the Voting Rights Act to Medicare The Great Society Bernstein concludes was a triumph but Johnson's attempt to have both guns and butter to pursue massive domestic initiatives together with a bitter undeclared war led to runaway inflation that ultimately undermined his presidency From the dark moments after Kennedy's assassination in 1963 to the heady days of legislative victories of 1965 to the bloody crescendo of riots assassinations and military battles in 1968 Johnson's administration was a defining moment in modern American history In *Guns or Butter* Irving Bernstein brilliantly captures both the events and the meaning of those momentous years Aside from its historical value this book has major current significance The legislative program Newt Gingrich and his Republican colleagues introduced in 1995 was designed to repeal the Great Society Before doing so members of Congress and the interested public should understand Lyndon Johnson's vision and the legislation that was enacted during the sixties *Guns or Butter* provides that critical information **Chief of Staff W. Marvin Watson**, Sherwin Markman, 2014-03-11 Chief of Staff to the President is perhaps the most important political appointment in our nation's government Aside from handling the myriad of day to day details that keep the White House running the Chief of Staff is often the President's closest confidante and gatekeeper anyone who wants access to the Oval Office goes through the Chief of Staff President Lyndon Johnson bestrode the American political scene as a colossus of energy ambition and purpose

He attempted to achieve no less than the total eradication of poverty and expended every last ounce of his political capital with Congress to pass Civil Rights legislation And throughout he was as he knew better than anyone else being destroyed by a war he inherited detested and could do nothing to stop With W Marvin Watson his Chief of Staff and most intimate adviser finally revealing what he knows about this extraordinary figure readers are taken firsthand inside the presidential life and times of Lyndon Johnson

A Very Personal Presidency Hugh Swanson SIDEY,1968 Lyndon B. Johnson Robert Dallek,2004-01-08 Robert Dallek's brilliant two volume biography of Lyndon Johnson has received an avalanche of praise Michael Beschloss in The Los Angeles Times said that it succeeds brilliantly The New York Times called it rock solid and The Washington Post hailed it as invaluable And Sidney Blumenthal in The Boston Globe wrote that it was dense with astonishing incidents Now Dallek has condensed his two volume masterpiece into what is surely the finest one volume biography of Johnson available Based on years of research in over 450 manuscript collections and oral histories as well as numerous personal interviews this biography follows Johnson the human dynamo from the Texas hill country to the White House We see LBJ in the House and the Senate whirl his way through sixteen and eighteen hour days talking urging demanding reaching for influence and power in an uncommonly successful congressional career Then in the White House we see Johnson as the visionary leader who worked his will on Congress like no president before or since enacting a range of crucial legislation from Medicare and environmental protection to the most significant advances in civil rights for black Americans ever achieved And we see the depth of Johnson's private anguish as he became increasingly ensnared in Vietnam In these pages Johnson emerges as a man of towering intensity and anguished insecurity of grandiose ambition and grave self doubt a man who was brilliant crude intimidating compassionate overbearing driven A tornado in pants Gracefully written and delicately balanced this The Presidency of Lyndon B. Johnson Vaughn Davis Bornet,1988 **LBJ and Vietnam** George C. Herring,2010-07-07 A compelling analysis A solid addition to our understanding of the Vietnam War and a president Publishers Weekly The Vietnam War remains a divisive memory for Americans partisans on all sides still debate why it was fought how it could have been better fought and whether it could have been won at all In this major study a noted expert on the war brings a needed objectivity to these debates by examining dispassionately how and why President Lyndon Johnson and his administration conducted the war as they did Drawing on a wealth of newly released documents from the LBJ Library including the Tom Johnson notes from the influential Tuesday Lunch Group George Herring discusses the concept of limited war and how it affected President Johnson's decision making Johnson's relations with his military commanders the administration's pacification program of 1965-1967 the management of public opinion and the fighting while negotiating strategy pursued after the Tet Offensive in 1968 This in depth analysis from a prize winning historian and National Book Critics Circle Award finalist exposes numerous flaws in Johnson's approach in a concise well researched account that critiques Johnson's management of the Vietnam War in terms of military strategy diplomacy and domestic public opinion

Library Journal *Lyndon Johnson, Vietnam, and the Presidency* David Zarefsky, 2021-08-16 Even those who remember hearing those words may not remember that they came at the very end of a 45 minute speech primarily concerning Vietnam Three months into an already tumultuous year in the aftermath of the Tet offensive and facing a deeply divided country President Lyndon Baines Johnson addressed the nation to announce new initiatives and appeal for public support The speech of March 31 1968 announced a bombing halt over much of North Vietnam a limited troop increase rather than a major escalation and his own decision to withdraw from the presidential race Each of these decisions was unexpected a major surprise that stunned the nation In *Lyndon Johnson Vietnam and the Presidency* political rhetoric scholar David Zarefsky examines the three key announcements and how they fit together in the speech In particular LBJ's announcement that he would not run for re election gave the de escalation measures more credibility because they could not be seen as political ploys Zarefsky traces the development of the speech through eleven drafts reflecting disagreements and doubts among the writers and advisers In turn he sets these efforts in the larger context of the Cold War and the impact of the Tet offensive Drawing on archival sources and reflecting rhetorical insights this book illuminates one of the most consequential speeches of the 1960s Even though the fighting in Vietnam would continue for several more years the course of America's conduct in Vietnam was changed permanently by this speech

The Presidency of Lyndon B. Johnson Vaughn Davis Bornet, 1983 Presents an assessment of the Johnson administration including the Vietnam issue

Lyndon B. Johnson Charles Peters, 2010-06-08 The towering figure who sought to transform America into a Great Society but whose ambitions and presidency collapsed in the tragedy of the Vietnam War Few figures in American history are as compelling and complex as Lyndon Baines Johnson who established himself as the master of the U S Senate in the 1950s and succeeded John F Kennedy in the White House after Kennedy's assassination on November 22 1963 Charles Peters a keen observer of Washington politics for more than five decades tells the story of Johnson's presidency as the tale of an immensely talented politician driven by ambition and desire As part of the Kennedy Johnson administration from 1961 to 1968 Peters knew key players including Johnson's aides giving him inside knowledge of the legislative wizardry that led to historic triumphs like the Voting Rights Act and the personal insecurities that led to the tragedy of Vietnam Peters's experiences have given him unique insight into the poisonous rivalry between Johnson and Robert F Kennedy showing how their misunderstanding of each other exacerbated Johnson's self doubt and led him into the morass of Vietnam which crippled his presidency and finally drove this larger than life man from the office that was his lifelong ambition

Uncover the mysteries within Explore with is enigmatic creation, **The Presidency Of Lyndon B Johnson** . This downloadable ebook, shrouded in suspense, is available in a PDF format (PDF Size: *).
