THE VATICAN BATTLE OF BISHOPS A VIEW FROM THE PEW

There are two problems with the Catholic Church the Hierarchy thinks they own the Church and the pew Catholic is too comfy in his cushioned pew The Catholic Laity have been enablers of the Hierarchy The basic and formal difference is that the Hierarchy sees they own the Holy Spirit In general the lay folks have had their voices ignored The Bishops of Vatican II have decreed and Pope Francis has issued a formal invitation to the pews to present their thoughts Invited to speak the pew Catholics voice their inspirations The Hierarchy most disdain the Faithful s inspirations That suggests a Vatican Battle Bishops defending the status quo versus Bishops defending the pews Three factors explain why the Church Hierarchy does not listen to the Holy Spirit from the pews The Hierarchy is not open to becoming They view the status quo as sacred Second the Hierarchy is truly convinced they constitute the Church The oils of Holy Orders mark the anointed with the special gifts needed to guide God s society Finally the Hierarchy has traditionally been a caste of privilege The Roman Emperor Constantine gave the clerics official Roman rank which in turn offered a paycheck The clergy were no longer required to work for a living alongside the regular believers They lost touch with all the other believers In their minds the ordained are above listening to the laity In the pews Catholics have long been second class citizens They need question how did the Hierarchy arrive at their status The Roman Emperor Constantine saw the community minded Christians as a unifier for his empire and made all clergy officials of the State The clergy were the ones who had the time and leisure to make memorial meal arrangements That s when the clergy took on a culture of clericalism i e The clergy own the Church and the Holy Spirit through ordination That was Ancient Rome Now priests are abusing the innocence of the youth Pope Francis calls that Church a bride caught in adultery In Biblical terms the use of adultery is reserved for the Jews when they went off to worship other gods idolatry Pope Francis asserts the Hierarchy worshipped a false god They worshiped their ordained only church a sham church trying to keep the appearance of Holy They were covering up the sin also legal crime of priests who abused children to fake holy What about the People of God when all of this was going on Did they just sit there The answer is yes and no Most pew Catholics did nothing because most did not know what was really going on Some heard but concluded it must be a lie from some disgruntled Catholic trying to make trouble for one of the priests These Laity were true enablers of the Hierarchy to sin But the Holy Spirit managed to alert some of the Catholics They followed up on what they had heard Trust but verify When they learned of the abuse they warned their pastors and Bishops about the problem priests Their pastors and Bishops went numb denied hid the abuse and some Bishops had their law team actually dishonor the victims in courts of law Again the Holy Spirit did not allow silence to cover the snub the Hierarchy had dealt the Spirit s counsel An offended Spirit counseled Pope Francis to call for a Synodal Process to allow the pew Catholics voice Because the pew Catholics had listened

to the Holy Spirit the Paraclete now favored them with the spiritual opportunity of a Synod Thus the pew Catholic had a chance to speak The agenda for the Bishops is out The issues are clearly controversial women priests optional priest celibacy foundations of sexual morality divorced remarried catholics for The Vatican Battle Of Bishops **The View from the Pew** Alex A. Meñez,2021-03-11 Love stories are always captivating And when it is the love story of a catholic priest it is intriguing This book is about the love story of two priests Both stories reveal their pain and struggles to decide against a law imbedded for centuries in the solid structure of an institution and in the cultural psyche of both laity and clergy In the end love and grace triumph From a peer review A highlight of this book is my reformist concern related to clerical behavior And I speak from my experience and expertise of forty years in the ministry Ecclesiastics should know that when I left the service of the altar I bore no bitterness or regret I am therefore their best ally to tell them the truth in love An added weight for my credibility is because my observations are based mostly on the pronouncements of Pope Francis The book will make some clerics uncomfortable Many will find it comforting and uplifting All will find it a good resource for reflection and a compelling guide for examination of conscience to hopefully bring about the clergy reform in attitude and lifestyle I have a chapter on celibacy Some will ask what more is there to talk about this topic And I say because I present celibacy with a focus on chastity Celibacy without chastity is a farce Perhaps someday the church will change its law on celibacy definitely not in my lifetime But it will This book will tell you why This book can be used as a primer in the seminary formation program As Cardinal Robert Sarah has warned The Christian priesthood is going through a major crisis and at the root of this quagmire is a deep flaw in their formation The laity will benefit from this book especially among the churchgoing those engaged in religious formation those in search of their faith s relevance or simply the spiritually hungry and the families and friends of priests all over the world The book strongly emphasizes the equality in dignity of all Christian faithful clergy and lay based on the grace of baptism This will help the laity value and uphold their proper role viz that together they build up the Church of Jesus Christ *The History and Law of Church Seats, or Pews* Alfred Heales,2023-03-08 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost The Stranger's Pew Thomas Nelson Page,1914 Pew Bible-NRSV-Apocrypha Hendrickson Publishers,2005-08 Though they are regularly used in both Protestant and Roman Catholic congregations the books of the Apocrypha are difficult to find in affordable English Bibles today until now Readers will enjoy the NRSV s contemporary literal translation and the easy to read text Churches that reference the Apocrypha in liturgy and worship will appreciate the quality and price of these outstanding editions for presentation and outreach Gift Award Bible Superior quality at an unbeatable price Three classic colors black blue and burgundy complement any sanctuary interior Hardcover 1 120 pages 5 1/2 x 8 1/2 inches Readable 9 point type Color maps and presentation page About the Translation Translated by a multi

denominational committee and based on the original Hebrew Greek and Aramaic the New Revised Standard Version is widely used by English speaking congregations throughout the world About the Apocrypha The Apocrypha is a collection of books found in the Septuagint the Greek version of the Jewish Bible Though not incorporated into the final canonical version of the Hebrew scriptures it was included in important Bible translations such as the Latin Vulgate and the original King James Version of 1611 For centuries the books of the Apocrypha have had a significant influence on Christian art literature and theology

A History of Pew Renting in the Church of England J.C. Bennett, 2024-05-26 This book is a comprehensive study of the history of pew renting in the church of England from the first known rented sittings in the fifteenth century to the system's collapse in the twentieth The book's significance is partly its originality no book and very few articles or portions of books have appeared solely on pew renting since the nineteenth century and even those of that time were not histories they were polemical works that generally attacked pew renting on religious grounds This work encompasses the distinction between formal letting of seats which involved the methodical letting of sittings by church authorities with set rents and informal pew letting in which congregants tipped pew openers and sidesmen for favourable seats for one service It also details the concomitant difficulties and hindrances encountered by churches and renters the means of setting the rents and collecting the proceeds the types of congregants who rented pews the controversy the practice provoked and the deception and bending and sometimes outright breaking of the applicable law
