**The Primitive African Paradise** Gerald Massey, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **Ancient Egypt Light Of The World 2 Vol set** Gerald Massey, 2013-10-15 First published in 2005 This expansive and fascinating treatment of ancient Egyptian mythology and its influence on the traditions that followed from it includes explorations of sign language in mythological representation totemism fetishism spirits and Gods the Egyptian Book of the Dead and Egyptian wisdom in the Hebrew Genesis Readers will enjoy the wealth of information offered by Massey as well as his clear and readable style *Ancient Egypt, the Light of the World* Gerald Massey, 1907 **Ancient Egypt - Light Of The World, Volume 1** Gerald Massey, 2014-05-26 No one ever understood the mythology and Ritual of Ancient Egypt so well as Gerald Massey since the time of the Ancient Philosophers of Egypt This book is one of the best when it comes down to Egyptian mythology occultism and interpretation It s a standard work no one wants to miss Contents Sign Language And Mythology As Primitive Modes Of Representation Totemism Tattoo And Fetishism As Forms Of Sign Language Elemental And Ancestral Spirits Or The Gods And The Glorified Egyptian Book Of The Dead And The Mysteries Of Amenta The Sign Language Of Astronomical Mythology Egyptian Wisdom The Drowning Of The Dragon The Sign Language Of Astronomical Mythology Part II Horus Of The Double Horizon The Making Of Amenta The Irish Amenta The Upper Mount Of Glory Egyptian Wisdom And The Hebrew Genesis The Egyptian Wisdom In Other Jewish Writings **Annie Besant** Annie Besant, 1908 *The Liberation of the African Mind* Adisa Franklin, 2004-11-02 The Liberation to the African Mind The Key to Black Salvation is a strong book written to the millions of African Americans who have had their history distorted by the Church and public schools Because of these distortions Black people are estranged and alienated from their culture and the wisdom of their ancestors The book challenges African Americans to begin to think for themselves especially in the realm of religion It is a prophetic book with a revolutionary perspective It is prophetic in that it points to the direction the Black Church must take to effectively address the spiritual needs of the Black community It is revolutionary because it challenges the Church and believers to establish a new paradigm an African Spiritual frame of reference The Black Church must transform itself and take on a new view of the scriptures doctrines and dogmas of Christendom This book documents the fact that what Blacks have been given as Christianity is in reality stolen African mythology cosmology and history that has been corrupted by Roman and Greek priest philosophers and emperors It is one of the most powerful challenges to Orthodox Christianity to date The Truth will liberate you from their strong delusions While there is indeed some positive and beneficial aspects to Church membership it is time for the Black Church to make its exodus from the Western religious way of faith in God to the African

spiritual way of knowledge of God Black Pastors and religious leaders must begin to teach that which will bring about the manifestation of the fullness of Christ This is the charge given to all church leadership by the Bible they teach from And He Himself gave some to be apostles some prophets some evangelist some pastors and teachers for the equipping of the saints for the work of the ministry for the edifying of the body of Christ till we all come to the unity of the faith and the knowledge of the Son of God to be a perfect man to the measure of the stature of the fullness of Christ Ephesians 4 11 13 There are far too many Babes in Christ in the Church It is not the fault of the believers but a reflection of corrupted doctrines and false dogmas In addition the unity of the Black Church must become a priority Not one church or believer can say they have no need of the rest of the Body of Christ in good conscience Yet unity in the Black Church is more a rhetorical than an actual reality Imagine what could be done if the wealth of the Church was combined to establish a super fund Unity must be at the top of the agenda for the Black Church and for the Black community Lastly though we have the proverbial church on every corner there is an undeniable spiritual crisis in the Black community The Liberation of the African Mind The Key to Black Salvation makes the Spiritual Resurrection of the Black man a valid goal and priority It will challenge many long held beliefs and dogmas however Christendom must be examined and that which is not of God must be abandoned Not since Marcus Garvey Fredrick Douglass and the Honorable Elijah Muhammad have Blacks questioned the validity or efficacy of Christianity Mr Muhammad made an attempt to make Blacks aware that Christianity was the religion of the people who had enslaved them Every race worships God in a way that is peculiar to their culture Since the days of captivity Blacks have worshiped the god of their conquerors and oppressors Worshipping a White man as God is not only a form of idolatry but extremely detrimental to the Black Psyche

**Ancient Egypt, the Light of the World** Gerald Massey, 2004      **ECHOES OF ANCIENT AFRICAN VALUES** Joseph A. Bailey, II, M.D., F.A.C.S., 2005-07-18 Ancient Africans perhaps around 5500 BC established a tradition based upon truth goodness beauty and other immaterial and intangible aspects of things of worth Believing all of God's creations were forever linked they focused on having good relations with and behaviors toward fellow human beings and with nature both for the purpose of reaching a heaven afterlife Out of these concepts arose the sense of community including the practice of no person being left behind Echoes of Ancient African Values discusses who Ancient Africans were as a people their genius and creative ways of thinking their philosophical and spiritual foundations and their world shaping achievements Unfortunately peoples throughout the world have failed to realize or acknowledge the fact that Ancient Africans have produced the most brilliance civilization and culture the world has ever known This applies whether the measure is by significance greatness or numbers The fashioning of such brilliance inside high morals not only transcended space and time but also designed sublime echoes A major premise of this book is that these echoes were extremely instrumental in enabling Ancient African slaves to survive their hellish situation as well as having ongoingly contributed to the recovery of Black Americans from the effects of slavery Numerous examples are given Otherwise what is

stressed to all peoples in the world is that Ancient African Values contain workable answers for solving every type of problem concerning humanity
