The Prince And The Discourses:

The Prince and the Discourses Niccolò Machiavelli, 1940 Discourses on Livy Niccolò Machiavelli, 2018-03-25

Machiavelli saw history in general as a way to learn useful lessons from the past for the present and also as a type of analysis which could be built upon as long as each generation did not forget the works of the past In *Discourses on Livy* Machiavelli discusses what can be learned from Roman period and many other eras as well including the politics of his lifetime This is a work of political history and philosophy written in the early 16th The title identifies the work's subject as the first ten books of Livy's *Ab urbe condita* which relate the expansion of Rome through the end of the Third Samnite War in 293 BC Niccolò dei Machiavelli 1469-1527 was an Italian diplomat politician historian philosopher humanist and writer He has often been called the father of modern political science He was for many years a senior official in the Florentine Republic with responsibilities in diplomatic and military affairs He served as a secretary to the Second Chancery of the Republic of Florence from 1498 to 1512 when the Medici were out of power He wrote his most well known work *The Prince* in 1513 having been exiled from city affairs The Prince and The Discourses Niccolò Machiavelli, 1950-08-01 Translated by Luigi Ricci Revised by E R P Vincent Introduction by Max Lerner

Discourses on Livy Niccolò Machiavelli, 1998-01-28
Discourses on Livy is the founding document of modern republicanism and Harvey C Mansfield and Nathan Tarcov have provided the definitive English translation of this classic work Faithful to the original Italian text properly attentive to Machiavelli's idiom and subtlety of thought it is eminently readable With a substantial introduction extensive explanatory notes a glossary of key words and an annotated index the *Discourses* reveals Machiavelli's radical vision of a new science of politics a vision of new modes and orders that continue to shape the modern ethos Machiavelli found in Livy the means to inspire scholars for five centuries Within the *Discourses* often hidden and sometimes unintended by their author lie the seeds of modern political thought Mansfield and Tarcov's translation is careful and idiomatic Peter Stothard *The Times* Translated with painstaking accuracy but also great readability *Weekly Standard* A model of contemporary scholarship and a brave effort at Machiavelli translation that allows the great Florentine to speak in his own voice *Choice* *The Prince* Niccolò Machiavelli, 1998-09 Mansfield's translation of this classic work in combination with the new material added for this edition makes it the definitive version of *The Prince* indispensable to scholars students and lovers of the dark art of politics

Discourses on Livy Niccolò Machiavelli, 2003-03-13 *Discourses on Livy* 1531 is as essential to an understanding of Machiavelli as his famous treatise *The Prince* Equally controversial it reveals his fundamental preference for a republican state Comparing the practice of the ancient Romans with that of his contemporaries provided Machiavelli with a consistent point of view in all his works Machiavelli's close analysis of Livy's history of Rome led him to advance his most original and outspoken view of politics the belief that a healthy body politic was characterized by social friction and conflict rather than by rigid stability His discussion of conspiracies in *Discourses on Livy* is one of the most sophisticated treatments of

archetypal political upheaval every written In an age of increasing political absolutism Machiavelli's theories became a dangerous ideology This new translation is richly annotated providing the contemporary reader with sufficient historical linguistic and political information to understand and interpret the revolutionary affirmations Machiavelli made based on the historical evidence he found in Livy The complete Livy in English available in five volumes from Oxford World's Classics ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

The Prince Niccolò Machiavelli, 1940 *The Discourses* Niccolò Machiavelli, 1984-05-01 It is not the well being of individuals that makes cities great but the well being of the community Few figures in intellectual history have proved as notorious and ambiguous as Niccol Machiavelli But while his treatise *The Prince* made his name synonymous with autocratic ruthlessness and cynical manipulation *The Discourses* c 1517 shows a radically different outlook on the world of politics In this carefully argued commentary on Livy's history of republican Rome Machiavelli proposed a system of government that would uphold civic freedom and security by instilling the virtues of active citizenship and that would also encourage citizens to put the needs of the state above selfish personal interests Ambitious in scope but also clear eyed and pragmatic *The Discourses* creates a modern theory of republic politics For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

The Prince. The Discourses on Livy. The Art of War Niccolò Machiavelli, 2020-08-16 Niccol di Bernardo dei Machiavelli 3 May 1469 21 June 1527 was an Italian Renaissance diplomat philosopher and writer best known for *The Prince* *Il Principe* written in 1513 He has often been called the father of modern political philosophy or political science For many years he served as a senior official in the Florentine Republic with responsibilities in diplomatic and military affairs He wrote comedies carnival songs and poetry His personal correspondence is of high importance to historians and scholars He worked as secretary to the Second Chancery of the Republic of Florence from 1498 to 1512 when the Medici were out of power Machiavelli's name came to evoke unscrupulous politicians of the sort Machiavelli advised most famously in *The Prince* Machiavelli considered political battles not through a lens of morality but as though they are a board game with established rules His experience showed him that politics have always been played with deception treachery and crime He also notably said that a ruler who is establishing a kingdom or a republic and is criticized for his deeds including violence should be excused when the intention and the result is beneficial Machiavelli's *Prince* was much read as a manuscript long before it was published in 1532 and the reaction was

mixed Some considered it a straightforward description of the evil means used by bad rulers others read in it evil recommendations to tyrants to help them maintain their power The term Machiavellian often connotes political deceit deviousness and realpolitik Even though Machiavelli has become most famous for his work on principalities scholars also give attention to the exhortations in his other works of political philosophy While much less well known than *The Prince* the *Discourses on Livy* composed c 1517 is often said to have paved the way of modern republicanism *The Prince* Nicolo Machiavelli, 2021-02-15 The prince is an expanded analysis of how to obtain and maintain political power It includes 26 chapters and thanks to Lorenzo de Medici The dedication shows that Machiavelli intends to discuss the behavior of great men and the principles of prince rule in plain language He did this to please and inspire the Medici family The 26 chapters of the book can be divided into four parts Chapters 1 11 discuss different types of principalities or states chapters 12 14 discuss different types of armies and the proper behavior of princes as military leaders and chapters 15 23 discuss The character and manners of the prince chapters 24 to 26 discuss the desperate political situation in Italy The last chapter asks the Medici family to provide food for the prince who will lead Italy out of humiliation

The Prince And The Discourses Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Prince And The Discourses has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Prince And The Discourses has opened up a world of possibilities. Downloading The Prince And The Discourses provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate

access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Prince And The Discourses has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Prince And The Discourses. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Prince And The Discourses. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Prince And The Discourses, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Prince And The Discourses has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
