Godfrey Blount, 1898 *Engraving the Savage* Michael Gaudio, 2008 In 1585 the British painter and explorer John White created images of Carolina Algonquian Indians These images were collected and engraved in 1590 by the Flemish publisher and printmaker Theodor de Bry and were reproduced widely establishing the visual prototype of North American Indians for European and Euro American readers In this innovative analysis Michael Gaudio explains how popular engravings of Native American Indians defined the nature of Western civilization by producing an image of its savage other Going beyond the notion of the savage as an intellectual and ideological construct Gaudio examines how the tools materials and techniques of copperplate engraving shaped Western responses to indigenous peoples Engraving the Savage demonstrates that the early

visual critics of the engravings attempted without complete success to open a comfortable space between their own civil image making practices and the savage practices of Native Americans such as tattooing bodily ornamentation picture writing and idol worship The real significance of these ethnographic engravings he contends lies in the traces they leave of a struggle to create meaning from the image of the American Indian The visual culture of engraving and what it shows Gaudio reasons is critical to grasping how America was first understood in the European imagination His interpretations of de Bry's engravings describe a deeply ambivalent pictorial space in between civil and savage a space in which these two organizing concepts of Western culture are revealed in their making Michael Gaudio is assistant professor of art history at the University of Minnesota

The Sower's Book Jay Cormier, 1989-09 Like the sower in the Gospel parable homilists scatter seeds of faith each Sunday calling forth growth in the hearts of their hearers But such sowing requires a range of supportive accompanying work seeding planing harvesting gleaning The Sower's Book has been written for homilists and preachers who believe that preaching is a ministry indeed the most important communication they have with the communities they serve It is designed to provide a framework by which homilists can think through and develop the Sunday homily over an entire Liturgical year

Visions of the Lamb of God Andrew Scott Brake, 2019-09-17 This commentary on Revelation is for those who are looking for an easy to read biblically central and Christologically focused commentary on one of the most intriguing books of the Bible It is a shame that pastors and followers of Jesus avoid the book of Revelation because of the confusing theories they heard about in the past or just too many movies This commentary attempts to get away from the needless debate though different views are presented and focus the reader's attention on the primary focus of the book the Lamb of God The Lamb holds history in his hand by virtue of his eternal authority and his invested authority because of the blood that he spilled and his testimony Therein lies his victory and therein lies the victory for those who follow him

Eerdmans Commentary on the Bible: Ecclesiastes and Song of Songs John Jarick, John W. Rogerson, 2003-11-19 This extract from the

Eerdmans Commentary on the Bible provides Jarik and Rogerson's introduction to and concise commentary on Ecclesiastes and Song of Songs. The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha. Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars, students and general readers. Rather than attempt a verse by verse analysis, these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story. Commentators focus on the genre of each text: parable, prophetic oracle, legal code and so on, interpreting within the historical and literary context. The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions.
