Geoffrey Harper,Kit Barker,2017-03-31 The brokenness of this world inevitably invades our lives But how do you maintain faith when overwhelmed by grief When prayer goes unanswered When all you have are questions not answers What do you say to God when you know he is in control but the suffering continues unabated Is there any alternative to remaining speechless in the midst of pain and heartbreak This book is about finding words to use when life is hard These words are not new They are modes of expression that the church has drawn on in times of grief throughout most of its history Yet the church in the West has largely abandoned these words the psalms of lament The result is that believers often struggle to know what to do or say when faced with distress anxiety and loss Whether you are in Christian leadership training for ministry or simply struggling to reconcile experience with biblical convictions Finding Lost Words will help you consider how these ancient words can become your own Songs of Zion ,1851
