Songpoems From Xanadu:

Song-Poems from Xanadu James Irving Crump, 2022-07-07 If the title Song Poems from Xanadu seems hauntingly familiar to the reader it is because there is another book called Songs from Xanadu written by the same author between 1979 and 1983 primarily as a rigorous attempt to make some sense out of the technical and prosodic questions which these songs raise about themselves The editor at the Center for Chinese Studies noted somewhat wistfully that Songs from Xanadu would have been a perfect title for the present book Since the author already used that title up on a somewhat stuffier work he tried to mollify the editor by choosing a title that sounded as much like the one he preferred as possible Being largely directed at specialists in Chinese literature the first book differs greatly from this its sequel which is written for those who know next to nothing about its subject ix x **A General Survey of Song-Poetry (Sanqu) of Yuan China (1260-1368)** Yishan Zhao, 2025-05-19 This book provides a survey of Yuan sanqu with its principal sections focusing on fundamental theories compositional features and historical evolution Its treatment of qu criticism and bibliography offers a comprehensive perspective on the defining characteristics of sanqu Serving both as a general overview of sanqu and a foundation for future research this publication explores this unique yet historically marginalized genre of song poetry It generates new insights through textual analysis and the nuanced discussion of dualistic concepts such as the interplay between literature and music the Song and Yuan dynasties and the relationship between ci lyrics and song poetry **How to Read Chinese Poetry** Zong-qi Cai, 2008 In this guided anthology experts lead students through the major genres and eras of Chinese poetry from antiquity to the modern time The volume is divided into 6 chronological sections and features more than 140 examples of the best shi sao fu ci and qu poems A comprehensive introduction and extensive thematic table of contents highlight the thematic formal and prosodic features of Chinese poetry and each chapter is written by a scholar who specializes in a particular period or genre Poems are presented in Chinese and English and are accompanied by a tone marked romanized version an explanation of Chinese linguistic and poetic conventions and recommended reading strategies Sound recordings of the poems are available online free of charge These unique features facilitate an intense engagement with Chinese poetical texts and help the reader derive aesthetic pleasure and insight from these works as one could from the original The companion volume How to Read Chinese Poetry Workbook presents 100 famous poems 56 are new selections in Chinese English and romanization accompanied by prose translation textual notes commentaries and recordings Contributors Robert Ashmore Univ of California Berkeley Zong qi Cai Charles Egan San Francisco State Ronald Egan Univ of California Santa Barbara Grace Fong McGill David R Knechtges Univ of Washington Xinda Lian Denison Shuen fu Lin Univ of Michigan William H Nienhauser Jr Univ of Wisconsin Maija Bell Samei Jui lung Su National Univ of Singapore Wendy Swartz Columbia Xiaofei Tian Harvard Paula Varsano Univ of California Berkeley Fusheng Wu Univ of Utah **Encountering China** Rachana Sachdev, Qinjun Li, 2012-10-01 Encountering China addresses the responses of early modern travelers to China who awed by

the wealth and sophistication of the society they encountered attempted primarily to build bridges to explore similarities and to emulate the Chinese though they were also critical of some local traditions and practices Contributors engage critically with travelogues treating them not just as occasional sources of historical information but as primary literary texts deeply revelatory of the world they describe Contributors reach back to the earliest European writings available on China in an effort to broaden and nuance our understanding of European contact with the Middle Kingdom in the early modern period While the primary focus of these essays is the external gaze European sources about China contributors also tease out aspects of the Chinese world view of the time thus generating a conversation between Chinese literary and historical texts and European ones

Khubilai Khan Morris Rossabi, 2009-11-02 Living from 1215 to 1294 Khubilai Khan is one of history's most renowned figures Morris Rossabi draws on sources from a variety of East Asian Middle Eastern and European languages as he focuses on the life and times of the great Mongol monarch This 20th anniversary edition is updated with a new preface examining how twenty years of scholarly and popular portraits of Khubilai have shaped our understanding of the man and his time

The Red Spears, 1916-1949 Hsuan-chi Tai, Hsuan-chih Tai, 2020-08-06 Before Tai Hsuan-chih's work on the Red Spear Society the subject was a little understood movement that seemed of only passing interest to scholars of China intriguing for its peculiar beliefs and rituals perhaps but hardly of central importance to modern Chinese history Today however thanks in no small measure to the pioneering work of Professor Tai the Red Spears have gained a secure niche in scholarship on modern China Their numbers reaching perhaps some three million participants at the height of the movement and enduring lasting intermittently for several decades should stand as reason enough for the recent scholarly attention But the Red Spears have generated interest for other reasons as well As research has developed into the history both of China's traditional rural rebellions and of her Communist revolution has developed over the past few years the Red Spears have assumed increasing significance A movement which bore marked similarities to earlier Chinese uprisings most notably the Boxers the Red Spears nevertheless operated in a later period of history right through the middle of the twentieth century which brought them in direct contact with Communist revolutionaries An analysis of the Red Spears thus becomes important both for what it can tell us about longstanding patterns of rural rebellion in China and for what it suggests about the nature of Chinese revolution

Henricks, 1990-01-01 This is an annotated English translation of the poetry of Han shan Cold Mountain a 7th or 8th century Chinese Buddhist recluse who wrote many poems about his life alone in the hills Many of his poems describe the mountains where he lived in dramatic yet appealing terms while at the same time symbolizing in Zen fashion the Buddhist quest for enlightenment Han shan became a cult figure in the Chan Zen tradition and legends portray him and his companion Shide as eccentrics who said and did nonsensical things Han shan does often write on unusual topics with some of his poems being clever insights that just happen to be metric and rhymed His language is simple and direct his images and symbols fresh and bold While the literary value of his work has for

the most part been overlooked this book provides line by line literary analysis of some of the more artistically interesting poems Henricks work represents therefore a major contribution to the study of Chinese literature and Chinese religion

West, Wilt Idema, 2025-09-11 Love affairs of the young men from eminent families and the courtesans who were trained to entertain and to fleece them were a popular theme in the Chinese vernacular literature of the thirteenth and fourteenth centuries The stories of these happy and disastrous affairs were popular with all genres of performative literature This volume offers a representative selection of texts on the grandeur et mis re of the working girls and their Chinese and Jurchen patrons Alongside popular works by famous playwrights such as Guan Hanqing and Shi Junbao This volume also offers a wide range of scintillating texts by lesser known and anonymous authors

The Poetry of He Zhu (1052-1125) Stuart Howard Sargent, 2007 The Northern Song poet He Zhu is best known for his lyrics ci but also produced shi poetry of subtlety wit and feeling This study examines the latter as a response to the options available to a late eleventh century writer in the pentametrical and heptametrical forms of Ancient Verse Regulated Verse and Quatrains Numerous comparisons are made with Su Shi Huang Tingjian Du Fu and other important writers In a major advance over previous methodologies the author uses a clear system of metrical notation to show how sound patterns reveal the poet s artistic and emotional intentions This innovation and the author s other meticulous explorations of He Zhu s artistry allow us to experience Chinese poetry as never before From the reader s report not just an excellent study of an individual poet but also a model of reading the language of classical Chinese poetry opens up a world of interpretive territory heretofore seldom explored

Songs of Contentment and Transgression Tian Yuan Tan, 2020-10-26 A discharged official in mid Ming China faced significant changes in his life This book explores three such officials in the sixteenth century Wang Jiushi Kang Hai and Li Kaixian who turned to literary endeavors when forced to retire Instead of the formal writing expected of scholar officials however they chose to engage in the stigmatized genre of qu songs a collective term for drama and sanqu As their efforts reveal a disappointing end to an official career and a physical move away from the center led to their embrace of qu and the pursuit of a marginalized literary genre This book also attempts to sketch the largely unknown literary landscape of mid Ming north China After their retirements these three writers became cultural leaders in their native regions Wang Kang and Li are studied here not as solitary writers but as central figures in the qu communities that formed around them Using such communities as the basic unit in the study of qu allows us to see how sanqu and drama were produced transmitted and used among these writers things less evident when we focus on the individual

CHINOPERL Papers, 2006 **Yuan** Nancy Shatzman Steinhardt, 2023-12-12 A monumental illustrated survey of the architecture of thirteenth and fourteenth century China The Yuan dynasty endured for a century leaving behind an architectural legacy without equal from palaces temples and pagodas to pavilions tombs and stages With a history enlivened by the likes of Khubilai Khan and Marco Polo this spectacular empire spanned the breadth of China and far far

beyond but its rulers were Mongols Yuan presents the first comprehensive study in English of the architecture of China under Mongol rule In this richly illustrated book Nancy Shatzman Steinhardt looks at cities such as the legendary Shangdu inspiration for Samuel Taylor Coleridge's Xanadu as well as the architecture the Mongols encountered on their routes of conquest She examines the buildings and monuments of diverse faiths in China during the period from Buddhist and Daoist to Confucian Islamic and Christian as well as unusual structures such as observatories archways stone and metal buildings and sarcophaguses Steinhardt dispels long standing views of the Mongols as destroyers of cities and architecture across Asia showing how the khans and their families built more than they tore down She demonstrates that the stipulations of the Chinese building system were powerful and resilient enough to guide the architecture that rose under Mongolian rule Drawing on Steinhardt's groundbreaking textual research in numerous languages as well as her pioneering fieldwork at sites across East Asia Yuan will become the standard reference on this critical period of cultural and artistic exchange

The Plum in the Golden Vase or, Chin P'ing Mei, Volume One, 2013-05-02 The first volume of a celebrated translation of the classic Chinese novel This is the first volume in David Roy's celebrated translation of one of the most famous and important novels in Chinese literature The Plum in the Golden Vase or Chin P'ing Mei is an anonymous sixteenth century work that focuses on the domestic life of Hsi men Ch'ing a corrupt upwardly mobile merchant in a provincial town who maintains a harem of six wives and concubines The novel known primarily for its erotic realism is also a landmark in the development of the narrative art form not only from a specifically Chinese perspective but in a world historical context With the possible exception of The Tale of Genji 1010 and Don Quixote 1615 there is no earlier work of prose fiction of equal sophistication in world literature Although its importance in the history of Chinese narrative has long been recognized the technical virtuosity of the author which is more reminiscent of the Dickens of Bleak House the Joyce of Ulysses or the Nabokov of Lolita than anything in the earlier Chinese fiction tradition has not yet received adequate recognition This is partly because all of the existing European translations are either abridged or based on an inferior recension of the text This translation and its annotation aim to faithfully represent and elucidate all the rhetorical features of the original in its most authentic form and thereby enable the Western reader to appreciate this Chinese masterpiece at its true worth
