Forman, 2022-10-14 Out of deep and wider personal experience of the Pacific Island churches as well as a mastery of the documentary sources Charles Forman has produced a very valuable and interesting book The Pacific Basin assumes an increasingly central place in world history The scattered Christian communities of that ocean are entering vigorously into worldwide ecumenical relationships It is increasingly important to understand these churches and their potential contribution Much of the popular mythology not to say demonology of missionary Christianity is linked with these Pacific Islands This book puts the whole story in perspective as it brings us up to date and suggests the issues of today and tomorrow David M Stowe Executive Vice President United Church Board of World Ministries This book covers the whole are of the Pacific Churches both Protestant and Roman Catholic and the English and French It states the historical facts and has a prophetic outlook to the changing Pacific Christianity of tomorrow S Amanaki Havea Principal The Pacific Theological College Suva Fiji Islands The nineteenth century story of Christianity in the Pacific is well known especially through the biographies of its heroes Charles Forman has written the twentieth century story with careful attention to the sources and with great clarity We see the steps from mission to church and from village congregation to ecumenical involvement Particularly helpful are the thematic treatments of cargo cults modern sects the effects of World War II independence and
