## **Songs For Relinquishing The Earth:**

*Songs for Relinquishing the Earth* Jan Zwicky, 1998 Poetry Winner of the 1999 Governor General's Award for Poetry and shortlisted for the 1999 Pat Lowther Award and the 1999 Dorothy Livesay Award for Poetry BC Book Prize SONGS FOR RELINQUISHING THE EARTH contains many poems of praise and grief for the imperiled earth drawing frequently on Jan Zwicky's experience as a musician and philosopher and on the landscapes of the prairies and rural Ontario SONGS FOR RELINQUISHING THE EARTH was first published by the author in 1996 as a handmade book each copy individually sewn for its reader in response to a request It appeared between plain covers on recycled stock with a small photo of lavender fields pasted into each copy The only publicity was word of mouth Part of Jan Zwicky's reason for having the author be the maker and distributor of the book was a desire to connect the acts of publication and publicity with the initial act of composition to have a book whose public gestures were in keeping with the intimacy of the art She also believed the potential audience was small enough that she could easily sew enough copies to fill requests as they came in While succeeding in recalling poetry's public life to its roots she was wrong about the size of that audience and her ability to keep up with demand as word spread Hence this facsimile edition In publishing it Brick Books has attempted to remain as faithful as possible to the spirit of those original gestures while making it possible for more readers to have access to this remarkable book **Digressions in Deep**

**Time** Declan Lloyd, Warren Mortimer, 2024-06-18 Deep time is a term which attempts to capture temporal scales far beyond human comprehension These are stretches of time epitomised by geological and cosmic scale processes vast enough to make the entirety of human existence appear as little more than a footnote The past few years have seen a boom in texts dedicated to the study of deep time extending across a broad range of disciplines which fall markedly outside of its geological roots These studies are unified by two ideas in particular that deep time thinking and ecocriticism should be considered in conjunction and that literature and the arts play a vital role in fostering a deep time awareness *Digressions in Deep Time* is the first collection of essays which considers the multifarious representations of deep time across literature and the arts assembling the work of a wide range of prominent scholars whose research frequently engages with temporality and ecocriticism Featured contributions include work by the Pulitzer prize winning author John McPhee who popularised the term deep time in the late seventies as well as chapters by Richard Irvine author of *An Anthropology of Deep Time* Benjamin Morgan author of *The Outward Mind* and Andrew Tate author of *Apocalyptic Fiction* Chamber Music Jan

Zwicky, 2015-01-02 Arcing across thirty years and seven volumes Jan Zwicky's poetry has always been acutely musical and sensitive to the silence out of which music comes In the compositions in *Chamber Music* the first anthology of Zwicky's poems one may perceive the attunement of her vocations poet philosopher violinist Her poetry both praises and relinquishes the earth bearing witness to the fierce skies of the prairies and the freezing rain of the West Coast Enacting the virtue of clarity prized and defended by her explicitly philosophical work this poetry is both resonant and integrated It is also formally

diverse ranging from the singular focus of the lyric ode to suites of variations and fugal structures from polyphonic textures to the sprawling reach of narrative gestures Throughout one feels the deft hand of an adept using powerful metaphors to explore themes of colonial violence environmental devastation spiritual catastrophe and transformation Resisting Western philosophy's exclusion of imagination from civic life Zwicky's poetry is noteworthy for the tension it achieves between the abstract and the personal the general and the particular Meditating repeatedly on themes of love and grief this poetry is at once passionately committed to the lucidity of its utterances and the fidelity of its images *Songs Of The Arcturians*
