

# Songs from DEAD SINGERS ...AND OTHER EULOGIES

"This marvelous, haunting anthology does not only contain songs from dead singers. There are cries from dead lovers, screams from dead friends and revenge from the dead done wrong. And in each story we are confronted with an uncomfortable truth: the past is dangerous. It can haunt you. And it can hurt you."

— Tim Lebbon, Author of *The Nature of Balance*

"A darkly pleasing compilation of tales that chill and thrill. Highly recommended."

— Simon Clark, Author of *Blood Cries*,  
*Vampirichia* and others

Basic Music Reference Alan Green, Michael J. Duffy, IV, 2012-11-01 Basic Music Reference is a quick start guide designed to introduce library employees to the basic tools and techniques involved in answering questions related to music As in every specialist subject area music has its own terminology but unlike most it also has a multitude of formats on paper and other materials as well as special notation and frequent use of foreign languages in titles and texts These features make it particularly difficult for library employees to answer users questions and thus a guide such as this one is essential Not all libraries with a music collection can afford to hire a music reference librarian Even libraries with such a specialist rely on support staff and student employees to answer questions when the music librarian is not available Whatever the scenario this volume will serve as a helpful training tool for library employees to learn about the basic music reference tools and to develop the techniques of greatest use when answering the most common types of music related questions
