plates a feat accomplished through an engraving and illustrating process of his own design The publication of Songs of Innocence began his series of Illuminated Books in which Blake combined text and visual artwork to achieve his poetic effect Blake always intended the poems of Songs of Innocence to be accompanied by their respective illustrations making analysis of the texts alone problematic at times While ostensibly about the naivety and simplicity of innocent youth Songs of Innocence is not merely a collection of verses for children Several of the poems include an ironic tone and some such as The Chimney Sweeper imply sharp criticism of the society of Blake's time Although clearly intended as a celebration of children and of their unadulterated enjoyment of the world around them Songs of Innocence is also a warning to adult readers Innocence has been lost not simply through aging but because the forces of culture have allowed a hope crushing society to flourish sometimes at the direct expense of children's souls

### **Songs of Innocence and Songs of Experience**

**(Annotated)** William Blake, 2019-12-19 Differentiated book It has a historical context with research of the time Songs of Innocence and Experience Songs of Innocence and of Experience is a collection of romanticism poems by English writer William Blake 1757-1827 published in 1794 The anthology groups in a single volume some of William Blake's most prominent poems published previously in two other collections Songs of Innocence and Songs of Experience For William Blake the concepts of Innocence and Experience are related to two states of consciousness but also of perception of reality the first innocence refers us to a mythical biblical past where the human being lived in perfect harmony with nature the second experience refers to the fall of man who leaves the idyllic state of Paradise to plunge into the waters of knowledge In this sense experience is not something that is obtained but rather a consequence of the loss of innocence In this way William Blake classifies the levels of perception of the human being and in a manner similar to the philosophy of Romanticism Innocence is the original state of humanity but a state that is not immune to society that is to experience the fallen world which is often represented through institutions And just as innocence is described as a state of purity experience is marked by loss melancholy fear and inhibition *Songs of Innocence and of Experience* Peter Ostrowski (Jr.), William Blake, 1993
