Lamentations, Song of Songs Wilma Bailey,Christina Bucher,2015-02-09 Lamentations Song of Songs by Wilma Ann Bailey and Christina Bucher covers the full emotional register of biblical literature from the anguished sorrow songs of ancient Israel to the passionate lyric poems of lovers Wilma Bailey plumbs the interpretive depths of Lamentations including questions about authorship images of God and depiction of a community s response to exile and its development of an identity in the wake of catastrophe Christina Bucher then offers multiple perspectives on the Song of Songs and its imagery characters and allegorical and literal interpretations by readers and communities across the centuries Both scholars build sturdy theological scaffolding to help lay readers pastors and scholars understand and apply the wisdom contained by these Hebrew writings of desire and exile love and lament Volume 27 in the BCBC series About Believers Church Bible Commentary Series Accessible to lay readers useful in preaching and pastoral care helpful for Bible study groups and Sunday school teachers and academically sound the Believers Church Bible Commentary Series foregrounds an Anabaptist reading of Scripture Published for all who seek more fully to understand the original message of Scripture and its meaning for today the series is based on the conviction that God is still speaking to all who will listen and that the Holy Spirit makes the Word a living and authoritative guide for all who want to know and do God s will      **Song of Songs** Richard S. Hess,2005-04 This verse by verse commentary offers a fresh reading of an intriguing book of the Old Testament      *Biblical Theology* Andreas J. Köstenberger,Gregory Goswell,2023-02-23 A Clear Careful Textbook to Help Bible Students Interpret Scripture Pastors thoughtful Christians and students of Scripture must learn how to carefully read and understand the Bible but it can be difficult to know where to start In this clear logical guide Andreas J K stenberger and Gregory Goswell explain how to

interpret Scripture from three effective viewpoints canonical thematic and ethical Biblical Theology is arranged book by book from the Old Testament using the Hebrew order through the New Testament For each text K stenberger and Goswell analyze key biblical theological themes discussing the book s place in the overall storyline of Scripture Next they focus on the ethical component showing how God seeks to transform the lives of his people through the inspired text Following this technique readers will better understand the theology of each book and its author

Davis, 2000-01-01 These books of the Bible despite their differences all treat the phenomenon of what it means to live wisely before God In this readable commentary Ellen Davis points out that the writers of these books considered wisdom and the fruits of wisdom a well ordered life and a peaceful mind to be within the grasp of anyone wholeheartedly desiring it Books in the Westminster Bible Companion series assist laity in their study of the Bible as a guide to Christian faith and practice Each volume explains the biblical book in its original historical context and explores its significance for faithful living today These books are ideal for individual study and for Bible study classes and groups

*The Song of Songs and the Eros of God* Edmée Kingsmill, 2009-11-26 Modern biblical scholarship interprets the Song as a collection of love lyrics For Edm e Kingsmill on the contrary the essence of the Song is mystical A principal concern of this study however is to uncover the relationship between the 117 verses of the Song and those biblical books to which they point Beneath the metaphors a network of allusions is being woven conveying a picture opposite to that we find in the prophets who confronted with the continual adultery of Israel poured forth their condemnations with unwearying passion In dramatic contrast the Song presents a paradisaal picture For lo the winter is past the rain is over and gone The flowers appear in the land and the time of singing is come Song 2 11 12 Thus in presenting the ideal the intention of the Song s author is shown to be encouragement The inclusion of this poem in the biblical canon is understood therefore to be central to the purpose of the biblical literature to bring all people to love the God of love The book is in two parts The first and longer part is concerned with themes including the relationship of the Song to the early Jewish mystical literature The second part is a short commentary intended for the reader interested in the text as much as in the related questions to which the text gives rise

Song of Songs J. Cheryl Exum, 2005-01-01 This original commentary foregrounds at every turn the poetic genius of the Song of Songs one of the most elusive texts of the Hebrew Bible J Cheryl Exum locates that genius in the way the Song not only tells but shows its readers that love is strong as death thereby immortalizing love as well as in the way the poet explores the nature of love by a mature sensitivity to how being in love is different for the woman and the man Many long

standing conundrums in the interpretation of the book are offered persuasive solutions in Exum's verse by verse exegesis The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing

**A Feminist Companion to Song of Songs** Athalya Brenner-Idan, Carole Fontaine, 2000-03-01 The ten essays in this volume the majority specially written engage with questions of voice whose and interplay what kind between received interpretation and resisting female reader and venture into methodological territory familiar and unfamiliar to biblical scholars including autobiographical criticism Among earlier readers invoked in these pages are Jerome Rashi and Fray Luis de L'On who brush pages with Haitian prostitutes The three sections of this fresh colourful and adventurous journey into love sex allegory and self inside the Most Sublime Song are Feminist Appropriations Specific Readings Allegories and Feminists and The Song of Songs Personalized [Gender in Solomon's Song of Songs](#) Alastair Ian Haines, 2016-12-14 The thesis shows that the Song of Songs can be read as a circular sequence of sub poems that follow logically from one another if they are understood as contributing to two main points made in a woman's voice The woman urges men to take romantic initiative to be committed exclusively and for life and urges women three times to wait until they are approached by such men If this reading is the best explanation of the text of the Song then the Song is a unified work centered on a woman singing about human romantic love from a woman's perspective [Song of Songs](#) Gianni Barbiero, 2011-04-26 This book puts forward an interpretation of the Canticle which is alert to the literal sense of the poem The author thus distances himself both from the allegorical interpretation and from an interpretation that is purely secular According to the author the Song offers a theological vision of human love Barbiero sees the Song as composed in the third century BC in the Hellenistic epoch but also as hugely

dependent on the love poetry of the Ancient Near East particularly that of Egypt Above all however the Song was composed in dialogue with the other books of the Old Testament especially in contrast with the negative view of sexuality which they represent The study pays particular attention to the structure of the poem and of the individual cantos for Barbiero the Song is a closely unitary work and is only to be understood as a whole      **Seek and You Shall Find** Taizé,2006-09 Short meditations about the nature of God are offered as answers to questions such as Why do we call God Father Is God a judge and What does it mean to believe The answers emphasize the human longing for a meaningful life and offer starting points for further investigation in Bible passages with commentary on the Resurrection and Jesus s message of love and forgiveness

**Life and Building as Portrayed in the Song of Songs** Witness Lee,1994      **Song of Songs** Adele Berlin,2025-01-07 Berlin approaches the Song of Songs as a Jewish Hellenistic work of love poetry She notes Greek ideas throughout the book and shows how they have been adjusted into Jewish thought and literary forms Going beyond previous studies this volume emphasizes that the Song s blending of the Jewish and the Greek is part of its literary virtuosity      **Song of Songs: An Introduction and Study Guide** J. Cheryl Exum,2022-07-14 The Song of Songs also known as the Song of Solomon is an unusual book to find in the Bible As the Bible s only love poem the Song offers a unique picture of relations between the sexes in biblical times Unlike other biblical books it consists entirely of dialogue It looks at love from both a woman s and a man s point of view and shows the reader what love is like exclusively through what lovers say about it There are few issues in Song of Songs interpretation that are not open to debate which makes it a fascinating book to study In this Guide Cheryl Exum provides a concise survey of the principal questions encountered in Song of Songs scholarship She also takes the discussion beyond the traditional research questions to introduce readers to new and ongoing areas in Song of Songs research Bibliographies and suggestions for further reading at the end of each chapter provide additional resources for readers interested in pursuing specific topics and exploring new directions in the study of the Song of Songs
