Campfires of Freedom Keith P. Wilson, 2002 Three related themes are examined in this fascinating study: the social dynamics of race relations in Union Army camps; the relationship that evolved between Southern and Northern black soldiers and the role of off-duty activities played in helping the soldiers meet the demands of military service and the challenges of freedom. By vividly portraying the soldiers' camp life and by carefully analyzing their collective memory, the author sets the camp experience in the broader context of social and political change.

Through the Archway M. Andrew Rice-Oxley, 2007 Through the Archway: Memoirs of Mouse Day Boy at Penly Grange is a vivid portrait of an English prep school in the 1950s and a story of close friendship and bitter rivalry. When, after almost fifty years, Timothy Moss, nicknamed Mouse, unexpectedly meets the notorious school bully Burton, he is surprised to find his memories of his old school being challenged. Now, on the brink of retirement, he sets out to record his version of the education and eccentric characters at Penly Grange Preparatory School for Boys in the 1950s. Not only a book about entertaining and unforgettable personalities, this semi-autobiographical novel is a compelling study of memoir writing which explores the deep attachments of childhood, the highs and lows of growing up, and the healing and insight that can be gained from revisiting the past. Suitable for all adults and children over 13. Revised edition, December 2007.
