**Sonya** Anne Edwards,1981 A sympathetic account of Sonya Tolstoy s struggle for independence reveals Sonya to be a forerunner of today s modern woman showing how her intense love for Tolstoy was diminished by his refusal to see her as her own person **Virginia Woolf's Portraits of Russian Writers** Darya Protopopova,2019-02-05 Virginia Woolf always stayed ahead of her time Championing gender equality when women could not vote publishing authors from Pakistan France Austria and other parts of the world while nationalism in Britain was on the rise and befriending outcasts and social pariahs As such what could have possibly interested her in the works of nineteenth century Russian writers austere and at times misogynistic thinkers preoccupied with peasants priests and paroxysms of the soul This study explains the chronological and cultural paradox of how classic Russian fiction became crucial to Woolf s vision of British modernism We follow Woolf as she begins to learn Russian invents a character for a story by Dostoevsky ponders over Sophia Tolstoy s suicide note and proclaims Chekhov a truly modern writer The book also examines British modernists fascination with Russian art looking at parallels between Roger Fry s articles on Russian Post Impressionists and Woolf s essays on Chekhov Dostoevsky Tolstoy and Turgenev **Sofia Tolstaya, the Author** Andrew Donskov,2022-02-22 Dealing with the most topical questions of the time Sofia Tolstaya s artistic works from parables to short stories novellas and memoirs show deep insights into the social context of nineteenth century Russia In his lengthy review of My Life along with other Tolstaya publications in Canadian Slavonic Papers the eminent Tolstoy scholar Hugh McLean 2011 laments the fact that it has taken so long almost a century after her death to focus academic attention on Sofia Tolstaya and that there has been no unified publication of her works scattered as they are among dated journals or not published at all This book aims to help fill this lacuna by offering a critical introduction to her literary output as a writer in her own right and presenting for the first time an anthology of her main artistic works some in fresh English translation and others never translated before **The Complete Works of Tolstoy** Leo Tolstoy,2023-12-29 The Complete Works of Tolstoy is an extensive compilation that showcases the literary genius of one of the world s most influential authors This monumental collection encompasses Tolstoy s novels short stories essays and philosophical treatises reflecting his masterful narrative style and profound moral inquiry Richly interwoven with themes of existential angst social justice and the complexities of human relationships the works invite readers to engage deeply with the moral questions of life The literary context of this compilation is key as it encapsulates the evolution of Tolstoy s thought particularly in light of the social upheavals of 19th century Russia which serve as a backdrop for his exploration of the human condition Leo Tolstoy born into a noble family in 1828 experienced a transformation from the privileged life of an aristocrat to a passionate advocate for social reform and spiritual awakening His life experiences including the harsh realities of war intrigue and personal crisis profoundly influenced the philosophical dimensions of his writing Tolstoy s quest for meaning and truth led him to question the moral foundations of society resulting in a body of work that continues to resonate with readers

today This comprehensive collection is essential for any serious student of literature or philosophy offering invaluable insights into the intricacies of life and ethics as articulated by Tolstoy Whether you are encountering his works for the first time or revisiting his profound narratives The Complete Works of Tolstoy promises to enrich your understanding of humanity's core dilemmas and the quest for a meaningful existence

*The Grimaldis of Monaco* Anne Edwards, 2017-09-01 *The Grimaldis of Monaco* tells in full the remarkable history of the world's oldest reigning dynasty For nearly eight hundred years from the elegant Genoese Rainier I to the current Prince Albert II the Grimaldis an ambitious hot

blooded unscrupulous race swift to revenge and furious in battle have ruled Monaco Against all odds they have proved themselves masterful survivors still in possession of their lands and titles despite the upheavals of the French Revolution and the First and Second World Wars when royal heads rolled and most small countries met their demise With insufficient weaponry and military forces far too small to go into combat against their more powerful neighbors France and Italy the Grimaldis endured by their cunning and their shrewd choice of brides rich women and high connections in the most influential courts of Europe and often strong sexual appetites The French nobleman's daughter who married Louis I later became the mistress of France Louis XIV Her son Antoine I was wed to an aristocratic wife who outdid her mother in law by having so many lovers her husband took to hanging them in effigy The seafaring adventurer Prince Albert I was unfortunate enough to have two wives one British one American who ran off with their lovers His second wife the American Alice Heine a fabulously rich heiress from New Orleans and the widowed Duchesse de Richelieu was the model for Proust's Princess of Luxembourg Heine used her own wealth to bring grandeur culture and sophistication to the palatial center of Monte Carlo and with the introduction of gambling an internationally celebrated resort was born initially for the privileged few and later for raffish café society The last section of the book is devoted to the most recent generations of the Grimaldis Here a new image of Rainier III emerges as both man and monarch beginning with his blighted childhood as the son of divorced parents and of a mother scorned as illegitimate And preceding the drama of his marriage to Grace Kelly there is an account of his intense love affair with a French film star and reasons behind his sister's lifelong malice and envy of him The final note is necessarily tragic detailing in full the deaths of both Princess Grace and Princess Caroline's husband in sudden and shocking accidents
