Android Avenger Ted White, 2013-10-02 All of a sudden I was moving faster than usual The other passengers standing on the subway platform seemed rooted to their places It took me only seconds to reach the top of the six flights of stairs and then I was out of the station and moving down Fulton Street at better than forty miles an hour What was happening to me It was as though I were the helpless passenger in a runaway car Something else had assumed control and was guiding me My body turned into an office building and raced down the corridor to a room where a man was sitting at a console He d begun to swing around in his chair when my mouth opened and a thin blood red ray shot out cleaving the man from head to abdomen Then it was over My mouth closed and I stood there stunned Up to today I was Bob Tanner an average sane Citizen Now what was I man or murder machine **The Jewels of Elsewhen** Ted White, 2012-12-14 You are riding home from work

on the subway There is a jolt and as you fall against your neighbour you discover he is a manikin You investigate The entire train is filled with manikins Are there no humans in this world You approach a door There is only an opaque blackness on the other side You are wary You put through only one arm It disappears completely You are curious You must find out what lies beyond You walk through the door into the void      **Catalog of Copyright Entries.
