Living Hope for the End of Days John S. Barnett, 2010-08-09 Meditation and Kabbalah Aryeh Kaplan, 1995-01-01 The Kabbalah is divided into three branches the theoretical the meditative and the practical While many books both in Hebrew and English have explored the theoretical Kabbalah virtually nothing has been published regarding the meditative methods of these schools This is the first book published in any language that reveals the methodology of the Kabbalists and stresses the meditative techniques that were essential to their discipline Kaplan offers a lucid presentation of the mantras mandalas and other devices used by these schools as well as a penetrating interpretation of their significance in light of contemporary meditative research In addition Meditation and Kabbalah presents relevant portions of such meditative texts as the Greater Hekhalot textbook of the Merkava School the writings of Abraham Abulafia Joseph Gikatalia s Gates of Holiness Gate of the Holy Spirit textbook of the Lurianic School and the important meditative hasidic classics Also investigated is the intriguing possibility suggested by the Zohar that the meditative methods of the East might have been derived from the mystical techniques of the prophets The New Creation Felipe Guzman, 2019-10-22 We are born into this world as a triune being with a body soul and spirit Our physical body allows us to live within the physical realm and our soul is the director of all our mental and physical labor It is our spirit that gives life or allows us to be alive which in turn allows our conscious soul and physical body to live breathe and move Upon death our physical body remains in this physical realm however our soul and spirit will continue on for all eternity within the spiritual realm Our spirit and soul are two separate immaterial entities and need to be separated for the purpose of the human spirit to become the gateway for the entrance of God's Holy Spirit into the human spirit This is the born again experience that leads a person to become a new creation of God The spiritual rebirth of the human spirit is the only way one can enter God's heavenly kingdom and the only way the human spirit can go through the spiritual rebirth is by allowing God's Holy Spirit entrance into their spirit The only way that God's Holy Spirit will enter a person's spirit is by that person believing that Jesus Christ God incarnate died for their sins and the sins of the world thus removing the penalty of judgment of God s wrath upon those who chose to believe and accept Jesus Christ as their personal Lord and Savior This book gives biblical support for the reality of the triune composition of humanity and the function and destiny of each Sermons.
