**The Gurs Haggadah** Belah Guterman, 2003 How do you live a normal life in a Concentration Camp? The Gurs Camp, technically called a detention camp in south-western France, was the testing ground for thousands of Jews attempting to pit their belief in God and themselves against the inhumanity of war. Replete with photographs and featuring a facsimile of the actual Haggadah recreated from memory and used in the camp, this book sheds light on a little-known camp where, despite the stresses and sub-human conditions, the people enriched their own lives by organising both religious and cultural activities while suffering under the yoke of Nazi brutality.
