## Soul Tasks:

**Suicide of a Soul** , Crossing the Soul's River William O. Roberts, 2009-10-01 Moving articulate and insightful this book is a welcome exploration of men's spiritual journey at midlife. Written by an author with his own extraordinary middle passage, the book provides practical insights for men while offering women an invaluable window into men's souls. Allan Chinen, author of *Beyond the Hero: Classic Stories of Men in Search of Soul*, lively and unembarrassed, written with great psychological acumen. *Crossing the Soul's River* is a major contribution to our understanding of men at midlife. This is the conversation men need to have with another man when their familiar old assumptions and priorities no longer make sense. Give it to a man you really care about. Give it to a woman who wants to know men at the core. Stephen Bank, coauthor of *The Sibling Bond*. *Crossing the Soul's River* is one of the second generation of men's books that are trying to chart concrete steps men can take to do the work we need to do to become more self-actualized and therefore more responsible partners, citizens, and churchmen. Roberts's articulation of men's needs for the wisdom of Sophia is the clearest I have ever read. Stephen Boyd, author of *The Men We Long to Be*, *Beyond Lonely Warriors*, and *Desperate Lovers*. William O. Roberts's compelling book puts the male midlife crisis into its deepest context, the growth of ourselves as spiritual beings. In so doing, it moves well beyond treatments which focus solely on the psychological dimension of this process, though Roberts details these too with a sharp, insightful eye honed by his own personal experience. Most helpful is his detailing of various rites of passage designed to help men navigate through this difficult time. In this, the book is of practical as well as intellectual use. I found the book deeply insightful and altogether illuminating. Brian Fay, author of *Contemporary Philosophy of Social Science: A Multicultural Approach*. **Kabbalah For Dummies** Arthur Kurzweil, 2025-02-11 A trustworthy, easy-to-read guide to an integral part of Judaism. *Kabbalah For Dummies* 2nd Edition is your factual and objective guide to understanding Kabbalah, a spiritual practice also known as the received tradition that's connected to Judaism. This easy-to-follow resource walks you through how to connect to and better understand the Kabbalistic way of life through explaining what Kabbalah is and isn't and detailing the Kabbalistic approach to the Torah, the Talmud, the Mishnah, and more Jewish texts. You'll also discover how to practice common rituals, worship, and pray as a practitioner of Kabbalah with this informative resource. Understand the foundations of Kabbalah, including core ideas. Know what Kabbalistic practice and study entails. Discover key Kabbalah resources. Perfect for practicing Kabbalists who want to brush up on the basics and for the Kabbalah curious. *Kabbalah For Dummies* 2nd Edition is a must-read resource for anyone who wants to understand the fundamentals of one of the world's great spiritual practices.

many manifestations But how can we cope with this seemingly eternal hindrance In the first of these three essays Prokofieff suggests that we start by developing a knowledge of the forces of evil in order to learn how they work in human evolution Such knowledge is in itself the beginning of the process of overcoming evil In order that members of the Anthroposophical Society might go further along this path Rudolf Steiner gave them the spiritual Foundation Stone of the Good This Foundation Stone which consists of light imaginative form and the substance of love can live in our hearts and souls as a firm foundation for esoteric work and a creative contribution towards the overcoming of evil Ultimately it can lead us to a conscious experience of Christ in the etheric realm of the earth In the second and third essays Prokofieff examines further themes relating to the etheric advent of Christ and its connection with the Foundation Stone of the Good
