Soul Sister:

Soul Sister Sereena Nightshade, 2014-04-22 Soul Sister is a softer version of The Killing Fields created by popular fan base demand Soul Sister thus contains many of the poems from The Killing Fields as well as some additional never before shared poetry from the time frame of the years this writer was mercilessly stalked and an objectified being caught within the tug of war between the predator The One from Afar the primary adult human co victim the local police force in their ineffectiveness made shockingly worse once a callous clueless seemingly chauvinistic spiteful and sometimes emotionally irrational detective was placed on the case and the many helpless oftentimes caged tame animal victims the predator went after in endless compulsive repetitions through the years spanning from October 1999 to the summer of 2004 This was the world of this writer's nightmarish drafted status losing the right to be a mere human with human feelings wants and needs It was also the backdrop for the Black Market style beauty contest and dating winner gets the fantastical prize game put forth by The One From Afar in the middle of The Killing Fields of the stalkers design from 1999 to mid 2003 In mid 2003 The One From Afar married his true deceiver and vanished from the picture blatantly leaving Sereena Nightshade to die That final phase in the full range tug of war indicated clearly that Nightshade was left to whatever fate may occur including one of being further hunted stalked kidnapped and at some point tortured repeatedly raped and murdered since she held no value to the only person who seemed fictitiously to care about her at the time This was the reality of The Killing Fields One stalker terrorizing running endless surveillance tampering with torturing murdering animals when he didn't mess up likely on purpose leaving them to suffer until his primary human victim had to clean up after his mistakes One fool allegedly looking for love or reportedly in love with Nightshade One primary adult human co victim who was hapless and hopeless One police detective who didn't give a darn And all of the many innocent defenseless victims caught in the middle of this whirl in the stalkers predatory realm This scenario or many components of it are not entirely rare for stalking victims as the presence of a stalker isolates the victim and narrows her world until there is almost nothing left no contacts no friends no support system while she must become a soldier despite the inhumane senselessness of it all it so continues *Soul Sisters* Pythia Peay, 2002-05-27 A unique workbook to help women cultivate their full potential through the lives and lessons of the heroines of world spiritual traditions Filled with exercises anecdotes quotes and inspiration Pythia Peay's Soul Sisters is designed to help women foster the traits that can be found in the great spiritual traditions of the world and that are most needed in contemporary life Each chapter shows how to cultivate the five divine qualities Courage Faith Beauty Love and Magic Soul Sisters offers an abundance of examples of different female figures from the spiritual past and present who have embodied these characteristics in a distinctly feminine way Through the road they have walked readers can learn to discover their own individual heart path to these strengths Both an immensely practical workbook and an education in spiritual ideas Soul Sisters is a companion for a lifetime **Best Practices Guide** Voice of America (Organization), 2011 *The Soul*
