Sound And Fury:

The Sound and the Fury William Faulkner, 2018-10-02 The Sound and the Fury first published in 1929 is perhaps William Faulkner's greatest book. It was immediately praised for its innovative narrative technique and comparisons were made with Joyce and Dostoyevsky but it did not receive popular acclaim until the late forties shortly before Faulkner received the Nobel Prize for Literature. The novel reveals the story of the disintegration of the Compson family, doomed inhabitants of Faulkner's mythical Yoknapatawpha County through the interior monologues of the idiot Benjy and his brothers Quentin and Jason. The spectacle of white disintegration shown through the decay of a gentle southern family. The Sound and the Fury Novel by William Faulkner Illustrated William Faulkner, 2021-11-08 The Sound and the Fury is set in Jefferson, Mississippi, in the first third of the 20th century. The novel centers on the Compson family, former Southern aristocrats who are struggling to deal with the dissolution of their family and its reputation. Over the course of the 30 years or so related in the novel, the family falls into financial ruin, loses its religious faith, and the respect of the town of Jefferson, and many of them die tragically. The novel is separated into four narratives. The first, reflecting events occurring and consequent thoughts and memories on April 7, 1928, is written in the voice and from the perspective of Benjamin Benjy Compson, an intellectually disabled 33-year-old man. Benjy's section is characterized by a disjointed narrative style with frequent chronological leaps. The second section, taking place on June 2, 1910, focuses on Quentin Compson, Benjy's older brother, and the events leading up to Quentin's suicide. This section is written in the stream of consciousness style and also contains frequent chronological leaps. In the third section, set a day before the first on April 6, 1928, Faulkner writes from the point of view of Jason, Quentin's cynical younger brother. In the fourth section, set a day after the first on April 8, 1928, Faulkner introduces a third person omniscient point of view. This last section primarily focuses on Dilsey, one of the Compsons' black servants, and her relations with Jason and Miss Quentin Compson, daughter of Quentin's sister Caddy, as Dilsey contemplates the thoughts and deeds of everyone in the Compson family. In 1945, Faulkner wrote a Compson Appendix to be included with future printings of The Sound and the Fury. It contains a 30-page history of the Compson family from 1699 to 1945. **Sound and Fury** Eric
