Sound That Changed Everything:

Sound That Changed Everything S. Everett, 2003-05 There are many sounds in the Body of Christ some resonate well and others create discord The Sound that Changed Everything describes the sound created by a united corporate people ministering out of passion for Jesus It is a clear trumpet call urging the Church to return to the simplicity of Jesus With bold prophetic candor and apostolic insight Stephen Everett proclaims that God is about to do a new thing in the days ahead The Church of Jesus Christ will not undergo a dramatic period of revival but rather one of reformation much like the reformations of the past A great time of purging and cleansing awaits us From this crucible will arise a Church of the new millennium blazing in the glory of its resurrected Head
