*So Far, For Now* Fiona Kidman, 2022-03-29 Evocative wry and thought provoking this is a rewarding journey with one of our finest writers It is a little over a decade since Fiona Kidman wrote her last volume of memoir But her story did not end on its last page instead her life since has been busier than ever filled with significant changes new writing and fascinating journeys From being a grandmother to becoming a widow from the suitcase existence of book festivals to researching the lives and deaths of Jean Batten and Albert Black she has found herself in new territory and viewed the familiar with fresh eyes She takes us to Paris and Pike River to Banff Belfast and Bangkok searching for houses in Hanoi and Hawera reliving her past in Waipu and creating new memories in Otago These locations and experiences among others have shaped Fiona s recent years and in this lively book she shares the insights she has picked up along the way

**At the End of Darwin Road** Fiona Kidman, 2011-11-01 An evocative memoir about the emergence of a pre eminent writer in a changing world What I have to tell is largely a personal narrative about how I came to inhabit a fictional world This absorbing memoir explores the first half of writer Fiona Kidman s life notably in Kerikeri amid the sharp citric scent of orange groves bright heat and the shadow of Asia at the end of Darwin Road From the distance of France where Kidman spent time as the Katherine Mansfield

Fellow in Menton she reconsiders the past weaving personal reflection and experience with the history of the places where she lived particularly the fascinating northern settlements of Kerikeri and Waipu and further south the cities of Rotorua and Wellington Her story crosses paths with those of numerous different New Zealanders from the Tuhoe prophet Rua Kenana to descendants of the migration from Scotland led by a charismatic Presbyterian minister to other writers and significant friends We learn of Kidman's struggles to establish herself as a writer and to become part of different communities and how each worked their way into her fiction At the End of Darwin Road is a vivid memoir of place and family and of becoming a writer I was certain that I would continue to write if possible every day of my life      **The Auckland University Press**

Rowena Macdonald, 2017-07-10 Shortlisted for The Guardian's Not the Booker Prize The Threat Level Remains Severe charts the collision of three unlikely characters in a classically British novel A funny observational comedy Sunday Express Grace Ambrose Brett Beamish and Reuben Swift appear to have little in common but as each of them negotiates metropolitan life they find their fates entwined Arty liberal minded House of Commons secretary Grace has been counting the tea breaks in the same dull job for approaching a decade and feels she could do something better if only she knew what New recruit Brett a smooth high flying Australian is on a mission to shake up the dusty backrooms of power and on a collision path with Grace Office life begins to look up when Grace receives an email from an admirer with musical and poetic talents but is soulful enigmatic Reuben Swift really who he says he is      *All Day at the Movies* Fiona Kidman, 2025-01-07 Plumes of flame pierced the night sky curling and licking and caressing the hurrying clouds and there was nothing anyone could do except watch the crop burn In 1952 war widow Irene Sandie takes up work in New Zealand's tobacco fields hoping to build a new life for herself and her daughter But this bold act of female self sufficiency triggers a sequence of events whose repercussions are still felt long after Irene's death Against a backdrop of immense social and political change Irene's four children lead disparate lives and learn how far family ties can bind or be lost forever With unflinching honesty and characteristic compassion Fiona Kidman deftly exposes the fragility of even the closest human relationships as she weaves together the narratives of a family and its changing fortunes across fifty years and three generations      **This Mortal Boy** Fiona Kidman, 2025-01-21 The offender is not one of ours It is unfortunate that we got this undesirable from his homeland Auckland October 1955 If young Paddy Black sings to himself he can almost see himself back home in Belfast Yet less than two years after sailing across the globe in search of a better life here he stands in a prison cell awaiting trial for murder He pulled a

knife at the jukebox that night but should his actions lead him to the gallows As his desperate mother waits on Paddy must face a judge and jury unlikely to favour an outsider as a wave of moral panic sweeps the island nation Fiona Kidman's powerful novel explores the controversial topic of the death penalty with characteristic empathy and a probing eye for injustice

*Popular Music in Spanish Cinema* Lidia López Gómez, 2023-08-25 *Popular Music in Spanish Cinema* analyses the aesthetics and stylistic development of soundtracks from national productions, considering how political instability and cultural diversity in Spain determined the ways of making art and managing culture. As a pioneering study in this field, the chronologically structured approach of this book provides readers with a complete overview of Spanish music and connects it to the complex historical events that conditioned Spanish culture throughout the 20th century to the present day, from the Second Republic, the Spanish Civil War, and the dictatorship through to democracy. The book enables an understanding of the relationships between the recording and film production industries, the construction of collective imagination, the formulation of new stereotypes, semiotic meanings within film music, and the musical exchanges between national and international cinema. This volume is an essential read for students and academics in the field of musicology, ethnomusicology, and history, as well as those interested in the study of diverse musical styles such as copla, zarzuela, flamenco, jazz, foxtrot, pop, and rock, and how they have been used in Spanish films throughout history.
