Songs Of Love 13:

Song of Songs and Lamentations, Volume 23B Duane Garrett, Dr. Paul R. House, 2018-04-24 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes Pericope Bibliography, a helpful resource containing the most important works that pertain to each particular pericope. Translation, the author's own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes, the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. Form/Structure/Setting, a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment, verse by verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: 1 within the context of the book itself; 2 its meaning in the OT or NT; 3 its place in the entire canon; 4 theological relevance to broader OT or NT issues. General Bibliography occurring at the end of each volume; this extensive bibliography contains all sources used anywhere in the commentary.

Document New York (State). Legislature,1921 **Berit Olam: The Song of Songs** Dianne Bergant,2023-06-10 Among all of the books of the First Testament the Song of Songs is one of the most intriguing On the one hand its unabashed sensuality has captured the imagination and has endeared it to those who appreciate passionate human love On the other hand more demure readers have frequently been chagrined by their own fascination with its erotic character and have cloaked their interest under the guise of metaphorical reading Both interpretations of the Song of Songs have been endorsed Down through the ages both Jewish and Christian interpreters have delighted in the exquisite imagery of the book's songs but they have also frequently reverted to allegory in their interpretations This commentary views the Song as a collection of love poems and carefully examines features of Hebrew poetry in order to uncover the delicacy of their expression It is unique not only in the attention that it gives to the obvious feminine perspective of the poems but in their ecosensitive character Although it is a tribute to mutual love the principal frame of reference is the amorous disposition of the woman Her words open and close the Song and her voice is dominant throughout The imagery that the lovers use is drawn from nature Whether it is the woman in awe of the strength and splendor of her lover or the man glorifying her physical charms the descriptions all call on elements from the natural world to characterize the feature being described Whatever they experience or know or even desire is somehow rooted in the natural world Chapters are Superscription Mutual Yearning 1 2 2 7 An Opportunity Lost Then Found 2 8 3 5 Ravished By Beauty 3 6 5 1 One of a Kind 5 2 6 3 The Admiration of all over 6 4 8 4 and Love Affirmed 8 5 8 14 **Billboard** ,1943-05-08 In its 114th year Billboard remains the world's premier weekly music
