**The Heart Has Its Reasons** Michael Cart, Christine A. Jenkins, 2006-03-30 Society does not make it easy for young people regardless of their sexual orientation to find accurate nonjudgmental information about homosexuality It makes it

even more difficult for young homosexuals to find positive role models in fiction either written or published expressly for them or if published for adults relevant to them and their lives *The Heart Has Its Reasons* examines these issues and critically evaluates the body of literature published for young adults that offers homosexual themes and characters Cart and Jenkins chart the evolution of the field of YA literature having GLBTQ gay lesbian bisexual transgendered and or queer questioning content They identify titles that are remarkable either for their excellence or failures noting the stereotypic wrongheaded and outdated books as well as the accurate thoughtful and tactful titles Useful criteria for evaluating books with GLBTQ content are provided Books and resources of all types are reviewed based on a model that uses the category descriptors of Homosexual Visibility Gay Assimilation and Queer Consciousness Community An annotated bibliography and a number of author title lists of books discussed in the text arranged by subject round out this valuable reference for teachers librarians parents and young adults *Bulletin of the Center for Children's Books* ,2004 **School Library Journal** ,2005 *The Book Review Digest* ,2004 *Children's Books in Print* ,2007 ,2006 *Media Review Digest* C. topics as formative experiences in the author's childhood major literary influences the author's educational background and mentors the writing process the limitations imposed by such labels as Appalachian writer and the broadening scope of literature originating in the Appalachian region Collectively these interviews confirm the judgment of some observers that writers from the mountain South are now playing a much larger role in southern letters than in previous periods thus constituting a renaissance within a renaissance      **Appalachian Journal** ,2005 A regional studies review
