Sopher Mahir Northwest Semitic Studies Presented To Stanislav Segert:

Sopher Mahir Edward M. Cook, 1990 The twenty two essays presented here reflect Dr Segert's many areas of interest and expertise A bibliography of the honoree's writings is included **Biblical Hebrew in Its Northwest Semitic Setting** Steven E. Fassberg, Steven Ellis Fassberg, Avi Hurvitz, 2006 In 1961 William L Morgan published *The Hebrew Language in Its Northwest Semitic Background* in which he presented a state of the art description of the linguistic milieu out of which Biblical Hebrew developed Moran stressed the features found in earlier Northwest Semitic languages that are similar to Hebrew and he demonstrated how the study of those languages sheds light on Biblical Hebrew Since Moran wrote our knowledge of both the Hebrew of the biblical period and of Northwest Semitic has increased considerably In the lights of new epigraphic finds and the significant advances in the fields of Biblical Hebrew and Northwest Semitic in the past four decades the Institute for Advanced Studies of the Hebrew University of Jerusalem convened an international research group during the 2001-2002 academic year on the topic *Biblical Hebrew in Its Northwest Semitic setting Typological and Historical Perspectives* The volume presents the fruits of the year long collaboration and contains twenty articles based on lectures given during the year by members of the groups and invited guests A wide array of subjects are discussed all of which have implications for the study of Biblical Hebrew and Northwest Semitic *Case in Semitic* Rebecca Hasselbach, 2013-05-02 This book reconstructs the Semitic case system based on a detailed analysis of the expression of grammatical roles and relations in the attested Semitic languages It brings typological methods to bear on the study of comparative Semitics and includes detailed analyses of a wide range of data The book will interest Semiticists and typologists **Le-ma'an Ziony** Frederick E. Greenspahn, Gary A. Rendsburg, 2017-03-02 An international array of twenty six scholars contributes twenty one essays to honor Ziony Zevit American Jewish University one of the foremost biblical scholars of his generation The breadth of the honoree is indicated by the breadth of coverage in these twenty one articles with seven each in the categories of history and archaeology Bible and Hebrew and Aramaic language *Semitic Noun Patterns* Joshua Fox, 2018-08-14 This is the first complete study of Semitic internal noun patterns since that of Jacob Barth over a century ago Drawing on the earlier work of Semitists and linguists this work presents a comprehensive new synthesis This diachronic comparative study presents the internal patterns individually and organizes them systematically This study investigates the special role of noun patterns in isolated nouns and gives a complete list of reconstructible isolated nouns This diachronic comparative study presents the internal patterns individually and organizes them systematically The roles of the patterns in the derivation of nouns from roots and in nominal inflection are shown as part of a reconstructed system This study investigates the special role of noun patterns in isolated nouns and gives a complete list of reconstructible isolated nouns The heart of the book is devoted to studies of all individual reconstructible internal patterns with their Semitic reflexes including mono and bisyllabics and patterns with ungeminated or geminated second or third consonants The book reaches conclusions on the structure of the

Proto Semitic pattern system including categories of reconstructible and non reconstructible patterns semantic groups of patterns and relationships between different patterns Further patterns merge and split diachronically appearing in different roles in the attested languages where new pattern systems are formed

Congress Volume Stellenbosch 2016 , 2017-12-19 This volume presents the main lectures of the 22nd Congress of the International Organization for the Study of the Old Testament IOSOT held in Stellenbosch South Africa in September 2016 Sixteen internationally distinguished scholars present their current research on the Hebrew Bible including the literary history of the Hebrew text its Greek translation and history of interpretation Some focus on archeological and iconographic sources and the reconstruction of ancient Israelite religion while others discuss the formation of the biblical text and its impact for cultural memory The volume gives readers a representative view of the most recent developments in the study of the Old Testament **A Canonical Exegesis of the Eighth Psalm** Hubert James Keener, 2013-11-07 Since Brevard Childs first introduced it as a fresh approach in the late 1960s canonical exegesis has grown into a widely discussed and developed program virtually a school of biblical interpretation with many scholars carrying forward an approach to theological exegesis that emphasizes the role of canon as the central context for interpretation of the Christian Scriptures In this study Keener

takes a twofold approach 1 he demonstrates that a canonical exegesis is tenable if the task is approached with clarity regarding its core theological foundation and 2 he applies the approach to the interpretation of the often thorny questions surrounding the understanding of Psalm 8 This is useful in that Psalm 8 touches upon several questions germane to the successful implementation of canonical exegesis due to the many intertextual connections it shares with the rest of the Bible Keener concludes that Psalm 8 in the Old Testament represents the intersection of two trajectories 1 the reversal motif in which YHWH maintains the created order through the exaltation of the weak and the humble and 2 the motif of the conflicted and conflicting human in which humans are shown as beset by trials often failing and even occupying the role of the enemies of YHWH A third trajectory becomes visible in the context of the New Testament that of the redeeming Christ this third trajectory intersects with the two Old Testament trajectories and makes possible the redemption of conflicted humanity giving the ultimate answer to the psalmist's question What is the human **David and Zion** Jimmy Jack McBee
