Sophocles, 2017-09-03 what man wins more happiness than just its shape and the ruin when that shape collapses Sophocles Oedipus Rex has never been surpassed for the raw and terrible power with which its hero struggles to answer the eternal question Who am I The play a story of a king who acting entirely in ignorance kills his father and marries his mother unfolds with shattering power we are helplessly carried along with Oedipus towards the final horrific truth To make Oedipus more accessible for the modern reader our Prestwick House Literary Touchstone Classics includes a glossary of the more difficult words as well as convenient sidebar notes to enlighten the reader on aspects that may be confusing or overlooked We hope that the reader may through this edition more fully enjoy the beauty of the verse the wisdom of the insights and the impact of the drama About Sophocles Sophocles born c 496 bc Colonus near Athens Greece died 406 Athens was an ancient Greek tragedy playwright Not many things are known about his life other than that he was wealthy well educated and wrote about one hundred and twenty three plays of which few are extant One of his best known plays is Oedipus the King Oedipus Rex

What can I say about Sophocles Oedipus Rex that has not already been said Apart from the patricide and the infamous incest this is an ancient tale of angst and overall calamity But since I recently revisited it this legendary tragedy hasn't left my mind Look and learn all citizens of Thebes This is Oedipus He who read the famous riddle and we hailed chief of men All envied his power glory and good fortune Now upon his head the sea of disaster crashes down I felt after reading the play that there was not really anything that Oedipus could have done to get himself out of his destiny In fact it seems that the more he attempts to get out of it the deeper he is immersed in its inevitability It is simply that there was no way for him to avoid doing it all and facing his fate After hearing of the prophecy he flees because he doesn't want it to come true but there is a lot that he does not know and a lot that he is not being told His parents when told by the oracles decided to sacrifice him But he was saved by the compassionate nature of humanity Later on his step parents also leave him in ignorance and in hiding the truth they are also making the prophecy come true

**Sophocles: Oedipus the King** David Kovacs, 2020-03-31 Oedipus the King is the best known play we have from the pen of Sophocles and was recognized as a masterpiece in Aristotle's Poetics which cites the play more often than any other as an example of how to write tragedy The principal character is the king of a city ravaged by a mysterious plague who consults Apollo at Delphi and is told that the plague will end only when those who killed the previous king Laius are found and punished He launches an investigation in the course of which he learns not only that he is himself the killer but that Laius was his father and Laius' widow whom he married his own mother As a result of this revelation Oedipus changes from being a respected king and conscientious investigator into a polluted and self-blinded outcast This volume presents a highly polished English verse translation of Sophocles' powerful play which renders both the beauty of his language and the horror of the events being dramatized A detailed introduction and notes clearly elucidate how the plot is constructed and the meaning this construction implies as well as how Sophocles ably concealed the fact that his characters act in ways which differ from what we expect in real life It also addresses influential misinterpretations thereby offering an accessible and authoritative introduction to the play that will be of benefit to a wide range of readers Oedipus Rex

Sophocles, E. H. Plumptre, 2005-01-01 The first drama in the Oedipus Trilogy Oedipus Rex is the tragic tale of Oedipus who has accidentally killed his father and married his mother One of the most widely read of all Greek tragedies Oedipus Rex stands as one of not only the greatest dramas from classical antiquity but as one of the greatest dramas of all time Its influence on literature and theatre cannot be overstated and it is as compelling today as when it was first performed

**Oedipus the King** Sophocles, 2018-07-03 Sophocles Oedipus The King translated by F Storr First published in 1912 Classic Greek Tragedy Oedipus Rex also known by its Greek title Oedipus Tyrannus or Oedipus the King is an Athenian tragedy by Sophocles that was first performed around 429 BC To Laius King of Thebes an oracle foretold that the child born to him by his queen Jocasta would slay his father and wed his mother So when in time a son was born the infant's feet were riveted together and he was left to die on Mount Cithaeron But a shepherd found the babe and tended him and delivered him

to another shepherd who took him to his master the King of Corinth Polybus being childless adopted the boy who grew up believing that he was indeed the King's son Afterwards doubting his parentage he inquired of the Delphic god and heard himself the word declared before to Laius Wherefore he fled from what he deemed his father's house and in his flight he encountered and unwillingly slew his father Laius Arriving at Thebes he answered the riddle of the Sphinx and the grateful Thebans made their deliverer king So he reigned in the room of Laius and espoused the widowed queen Children were born to them and Thebes prospered under his rule but again a grievous plague fell upon the city Again the oracle was consulted and it bade them purge themselves of blood guiltiness Oedipus denounces the crime of which he is unaware and undertakes to track out the criminal Step by step it is brought home to him that he is the man The closing scene reveals Jocasta slain by her own hand and Oedipus blinded by his own act and praying for death or exile

**Plays of Sophocles** Sophocles, 2016-11-05 The three plays of this book Oedipus the King also called Oedipus Tyrannus or by its Latin title Oedipus Rex Oedipus at Colonus and Antigone also known as the Theban plays concern the fate of Thebes during and after the reign of King Oedipus Each of the plays relates to the tale of the mythological Oedipus who killed his father and married his mother without knowledge that they were his parents His family is fated to be doomed for three generations Sophocles wrote the three plays for separate festival competitions many years apart Not only are the Theban plays not a true trilogy three plays presented as a continuous narrative but they are not even an intentional series and contain some inconsistencies among them He also wrote other plays having to do with Thebes such as the Epigoni of which only fragments have survived

**Sophocles: Oedipus Rex** Sophocles, 2006-07-27 Sophocles created a masterpiece that in the eyes of posterity has overshadowed every other achievement in the field of ancient drama With these words Dr Dawe sets out the importance of Oedipus Rex He investigates why it has for so long fascinated the human mind devoting his introduction to an examination of the story and to the technique employed by Sophocles to unfold the plot In this revised edition he also argues for the spurious nature of the play's ending As with the first edition the commentary deals authoritatively with problems of

language and expression but is enhanced by reflections on the text developed in the twenty years since the publication of that first edition. Written for classical scholars and students, this is a welcome revised edition of a bestselling text.
