Sorcerers And Healing Spirits Continuity And Change Continuity In An Aboriginal Medical System:

Sorcerers and Healing Spirits Janice Reid, 1983 Published version of doctoral thesis Sorcery and healing 1978 q v for annotations field work at Yirrkala Indigenous Peoples And Religious Change Peggy Brock, 2005 Ten historians and anthropologists analyse religious change as it was experienced by Indigenous Peoples in and around the Pacific and southern Africa in the nineteenth and twentieth centuries *Aboriginal Health and History* Ernest Hunter, 1993-06-14 The Royal Commission into Aboriginal Deaths in Custody 1987 1991 focused attention on the behavioural dimension of Aboriginal health and the lack of appropriate services This book is a systematic analysis of the sociohistorical and intercultural aspects of mental health in one area of remote Australia the Kimberley The author shows how the effects of social disruption cultural dislocation and loss of power suffered by Aboriginal people have manifested themselves in certain behavioural patterns The book analyses rising mortality rates from suicide accidents and homicide amongst Kimberley Aboriginal communities and studies the economic impact of alcohol on these communities It also considers the role of alcohol in producing violent behaviour and affecting the general level of health **Mortality, Mourning and Mortuary Practices in Indigenous Australia** Myrna Tonkinson, Victoria Burbank, 2017-03-02 Drawing on ethnography of Aboriginal and Torres Strait Islander communities across Australia Mortality Mourning and Mortuary Practices in Indigenous Australia focuses on the current ways in which indigenous people confront and manage various aspects of death The contributors employ their contemporary and long term anthropological fieldwork with indigenous Australians to construct rich accounts of indigenous practices and beliefs and to engage with questions relating to the frequent experience of death within the context of unprecedented change and premature mortality The volume makes use of extensive empirical material to address questions of inequality with specific reference to mortality thus contributing to the anthropology of indigenous Australia whilst attending to its theoretical methodological and political concerns As such it will appeal not only to anthropologists but also to those interested in social inequality the social and psychosocial consequences of death and the conceptualization and manipulation of the relationships between the living and the dead *The Medical Revolution of the Seventeenth Century* Roger Kenneth French, Andrew Wear, 1989-09-28 This consideration of the underlying forces which helped to produce a revolution in 17th century medicine sets out to show how in the period between 1630 and 1730 medicine came to represent something more than a marginal activity and was influenced by the current developments of the day *Polygamy's Rights and Wrongs* Lori Gail Beaman, Gillian Calder, 2013-12-01 Assumptions about the harmful nature of polygamy have left little room for debate with monogamy coming to represent a hallmark of advanced societies and polygamy the immoral alternative Yet in this volume eleven scholars ask whether this condemnation is justified by examining among other perspectives the lived experiences of polygamous families In essays that fearlessly face difficult questions of choice dignity and love the authors seek to complicate a conversation that is more often simplified Thoughtful and persuasive Polygamy's Rights and Wrongs is

both a close consideration of polygamy and a challenging reflection on the ways in which we value family and intimacy

among Australian Aboriginal Peoples James L. Cox, Adam Possamai, 2016-12-01 Offering a significant contribution to the emerging field of Non Religion Studies Religion and Non Religion among Australian Aboriginal Peoples draws on Australian 2011 Census statistics to ask whether the Indigenous Australian population like the wider Australian society is becoming increasingly secularised or whether there are other explanations for the surprisingly high percentage of Aboriginal people in Australia who state that they have no religion Contributors from a range of disciplines consider three central questions How do Aboriginal Australians understand or interpret what Westerners have called religion Do Aboriginal Australians distinguish being religious from being non religious How have modernity and Christianity affected Indigenous understandings of religion These questions re focus Western dominated concerns with the decline or revival of religion by incorporating how Indigenous Australians have responded to modernity how modernity has affected Indigenous peoples religious behaviours and perceptions and how variations of response can be found in rural and urban contexts *Aboriginal Health* Neil

Thompson, Patricia Merrifield, 1989-12 Includes health policy and programs nutrition child health communicable diseases sexually transmitted and leprosy endocrine and metabolic diseases blood and blood forming diseases mental health nervous system and sensory organs eyes and ears diseases of circulatory system respiratory system digestive system genito urinary system skin musculoskeletal system obstetrics and gynaecology women s health and substance abuse Ethnomedicine

Pamela I. Erickson, 2007-11-14 People throughout time and place no matter their belief system have sought to discover causes and cures for illness and disease Among Westerners is a groundswell to augment biomedicine with holistic practices inherent in ethnomedicines of non Western traditions Yet missing are awareness and knowledge of the foundations and

outgrowth of these alternative concepts Erickson fills this gap by clearly explaining the basic organizing principles that underlie all medical systems the full range of theories of disease causation the geographical distribution of medical practices and the historical trends that led to biomedical dominance Her efficient balanced approach highlights commonalities among the worlds vast and diverse medical systems making ethnomedicine easier to internalize and to apply in clinical settings

Indigeneous Australians & The Law Martin Hinton,2012-10-02 This book concentrates on areas of the law which are currently of great importance to the indigenous Australians The subjects covered include the legacy of colonialism de racialisation empowerment sentencing and the criminal justice system native title public health law reconciliation and the constitution self determination common law and customary law and human rights The aim of this book is to familiarise law students with the culture of the indigenous people of Australia and to stimulate an appreciation of the impact of the law in its various forms upon the indigenous people the obstacles to their full participation in the community and the rocky road to reconciliation It is hoped that this book will in some small way contribute to reconciliation by placing students in particular in a position of greater understanding

Learning from 50 Years of Aboriginal Alcohol Programs Peter d'Abbs, Nicole Hewlett, 2023-08-31 This open access book deals with community based

attempts on the part of Aboriginal communities and groups in Australia to address harms arising from alcohol misuse Alcohol related harms are viewed as both a product of colonisation and dispossession and a contributor to ongoing social economic and health related disadvantage both in Australia and in other countries with colonised Indigenous populations such as Canada the US and New Zealand This book contributes to an evidence base by bringing together a selection of existing Australian documents considered by the editors to have continuing relevance to all those concerned with dealing with alcohol related harms among Aboriginal peoples These are contextualised in original chapters that recount key events ideas and programs The book is a practical resource for all people and groups concerned with addressing Aboriginal and Torres Strait Islander alcohol related harms both at the community level and at the level of policy making and administration A Witch's Hand William E. Mitchell, 2024-05-29 William E Mitchell revisits his early fieldwork with a three part study of the history of colonial rule in Papua New Guinea From 1971 to 1972 William E Mitchell undertook fieldwork on suffering and healing among the Lujere of Papua New Guinea s Upper Sepik River Basin At a time when it was not yet common to make colonial agencies a subject of anthropological study Mitchell carefully located his research on Lujere practices in the framework of a history of colonization that surrounded the Lujere with a shifting array of Western institutions dramatically changing their society forever Mitchell s work has been well known among anthropologists of Oceania but the material in this book has remained unpublished until now In this major new work Mitchell revisits his early fieldwork with a three part study of the history of colonial rule in the region the social organization of Lujere life at the time and the forms of affliction witchcraft and curing that preoccupied them Furthermore Mitchell offers the first sweeping cross cultural survey of sanguma magical murder in Oceania The book presents a vivid portrait of a society that has since changed dramatically as well as an approach to anthropology that was typical of the era This is a significant contribution to the ethnography of Papua New Guinea and is sure to be an invaluable source for researchers of Melanesia medical anthropologists and scholars of kinship myth and ritual

The Routledge Handbook of Religion and Secrecy Hugh B. Urban, Paul Christopher Johnson, 2022-03-29 Secrecy is a central and integral component of all religious traditions Not limited simply to religious groups that engage in clandestine activities such as hidden rites of initiation or terrorism secrecy is inherent in the very fabric of religion itself Its importance has perhaps never been more acutely relevant than in our own historical moment In the wake of 9 11 and other acts of religious violence we see the rise of invasive national security states that target religious minorities and pose profound challenges to the ideals of privacy and religious freedom accompanied by the resistance by many communities to such efforts As such questions of secrecy privacy surveillance and security are among the most central and contested issues of twenty first century religious life The Routledge Handbook of Religion and Secrecy is the definitive reference source for the key topics problems and debates in this crucial field and is the first collection of its kind Comprising twenty nine chapters by a team of international contributors the Handbook is divided into five parts Configurations of Religious Secrecy Conceptual

and Comparative Frameworks Secrecy as Religious Practice Secrecy and the Politics of the Present Secrecy and Social Resistance Secrecy Terrorism and Surveillance This cutting edge volume discusses secrecy in relation to major categories of religious experience and individual religious practices while also examining the transformations of secrecy in the modern period including the rise of fraternal orders the ongoing wars on terror the rise of far right white supremacist groups increasing concerns over religious freedom and privacy the role of the internet in the spread and surveillance of such groups and the resistance to surveillance by many indigenous and diasporic communities The Routledge Handbook of Religion and Secrecy is essential reading for students and researchers in religious studies comparative religion new religious movements and religion and politics It will be equally central to debates in the related disciplines of sociology anthropology political science security studies and cultural studies
